## SUBIACO - FLOREAT CRICKET CLUB (Inc) PRESIDENT'S REPORT

The years appear to be going very fast as it seems like only yesterday that I was writing last year's president's report. I consider the season to have been a very successful one, especially the strong performance of the "A" grade team led by Gavin Swan, and the back-to-back premierships by the Colts led by Chris Cann. The "A" grade team finished the season in fourth place after being as high as third on the premierships ladder. Unfortunately the team did not perform as well in the finals, being beaten by the eventual winners, Bayswater Morley. I am sure the experience will stand the club in good stead in the future.

The club's persistence with younger cricketers is now starting to pay dividends and we expect an even better performance next year as most players will remain with the club. The "A" grade team was competently led by Gavin Swan who had a very successful season. He finished with 43 "A" grade wickets and a fourth place in the Oily Cooley Medal Count. Gavin was well supported by his deputies, Michael Simpson and Steven Glew. Steven has accepted an invitation to attend the Cricket Academy in Adelaide - well done Steven!

The seconds, thirds and fourths had reasonable seasons, however when you take out four of the "A" grade side to represent the State Under 19's for two matches, the replacements have to come from these teams. Often we did not have the depth of players ready to perform at the next level. Nevertheless it does give the younger players the opportunity. Thanks to the "old brigade" that helped the club out. Well done to the captains, Tim, Arnie and Bernie.

Our colts team led by Chris Cann won the flag for the second year in a row. This is an excellent achievement and we hope the success will continue next season. Congratulations to the coach Graham Gaunt for the excellent result. In our junior grades the club had a successful year which stands us well for the future. Well done to all concerned. The club is pleased to announce that Ian Herbert has agreed to take on the coach's position for another year. Ian has been a driving force with the club and is now reaping the benefits of the programs he has initiated over the past three years. Ian was capably assisted by Peter Capes, Craig Harms, Jeremy Allen and net captain Chris Beattie.

At the club presentation evening, Jim Rule was awarded life membership by the club for his dedication over a number of years. Unfortunately the club lost one of the original life members in M C C (Bill) Bolton - our condolences go to the Bolton family. The Town of Cambridge, through the efforts of Ross Farlekas and Geoff Harvey have the ground in top condition. Many say it is the best they have ever seen the playing arena. The wickets have settled in well with favourable reports being received.

I would like to personally thank the very dedicated committee for their support during the year. Also to the ladies who assisted with afternoon teas, my wife Lyn for organising the rosters and Jane and Terry for the lunches, Phil Thomson, the "A" grade scorer for his support and the cooking of Thursday nights meals. There were a few matters the club commenced during the year that have not been completed but are well under-way. The introduction of the newsletter Subi-Once was very successful and will continue next year but we need more helpers. Please contact me if you can help.

The club has had a slow year financially in terms of its own fund-raising efforts, though it was bailed out by a substantial increase in WACA funding. Bar profits were down on last year and support by way of sponsorship did not reach budget; it is a struggle to keep above the rising tide. We need help in any way. If you have any expertise with fund-raising or any ideas that will assist raise funds please give me a call. The club has come a long way this season and has a solid group of players coming through. Please help the club meet its goals by giving your support.

**JOHN WORLAND**  
President

## **SUBIACO - FLOREAT CRICKET CLUB (Inc)**

### **COACH'S REPORT**

It is the end of my third season and it only seems like yesterday that I was meeting the players for the first time. Many changes have occurred in this time. I believe players now understand that there is no substitute for hard work and a belief that they are capable of success both individually and as a team.

All followers of Subiaco-Floreat Cricket Club have noted the improvement in performance of the 'A' Grade team. This improvement reflects the attitude that has developed within the team itself. Captain Gavin Swan supported a change in focus based on placing most attention on the positives. This resulted in players who were more confident and not focused on the consequences of failure.

It is this philosophy combined with hard work that has realised our goal of finals cricket for the first time in many years. It would be wrong therefore to lament our loss in the semi-final. Instead we can look back at the season and be extremely proud of our record. Eight wins two draws and just two losses was a fantastic effort. It should also be mentioned that in the One-Day competition we were successful in making the quarter-finals.

Gavin Swan has had an outstanding season. His forty-nine wickets must surely make State Selectors take another look at him. The support he gave to me was most appreciated and I look forward to working with him again next year.

Unfortunately our other grades lacked consistency and were unable to make the finals. Players in these grades will now need to work harder to progress towards the top grade in the club as the 'A' Grade team is looking much more stable. It will take a consistently high level performance to force selectors to make changes. The captains in these grades play an important role in developing the playing strength in our club. Our captains this year Tim Sillinger, Clinton Palmer and Bernie Le Tessier have done a fantastic job. Their support during the year has been most appreciated.

The 'Colts' have been superb in winning the flag for the second year in a row. Chris Cann and his players can feel justly proud of their achievement. My thanks go to Graham Gaunt for efforts in guiding this group of fine young cricketers.

John Worland and his committee have again supported me. The work done by this group enables the club to run smoothly and all players and myself appreciate their efforts. Kerry Darragh has assisted me greatly this year in handling all of the off field playing matters. Chris Beattie in his role of Practice Captain has been able to keep all players happy and certainly allows me more time to coach.

Three other people have also helped me greatly this year. Peter Capes was the specialist bowling coach and his guidance was appreciated all our bowlers. Craig Hams again worked closely with the players in developing the mental aspect of their game. His videoing of players was particularly useful in assisting with technique improvement. Phil Thomson as our scorer provided me with many useful statistics during the year.

Congratulations to all players selected in age group State teams. These players were Brett Jones, Kim Wulff, Kosta Kapinkoff, David Bolton, Chris Cann, and Steven Glew. Steven has been selected to go to the Cricket Academy in South Australia during the off season and I wish him every success. Finally I would like to thank all players for their support during the season.

**IAN HERBERT**  
**Senior Coach**

## SUBIACO - FLOREAT CRICKET CLUB (Inc)

### TREASURER'S REPORT

The Club finished with a net book profit for the year of \$4,739 (after including \$2,227 received from the WACA on 18 June 1998 which related to the previous year).

The actual surplus for the 98/99 year was \$2,512

Profit from bar trading was down \$1,607 and sponsorship was \$2,510 less than the previous year. This was offset by an increase in WACA grants of \$2,765, the majority coming from Lilac Hill.

Equipment costs were down by \$4,319, primarily due to reduced expenditure on cricket balls.

An amount of \$4,893 was accrued in the accounts for wicket maintenance; this amount has not been paid and we have requested the Cambridge Council to provide substantiation of the amount claimed; wicket maintenance in previous years has been in the order of \$1500 pa.

Other costs were generally in line with the previous year.

Outstanding fees of \$2,204 should be fully recoverable.

Continuing control of costs, an ongoing effort in gaining Sponsorship and prompt payment of fees together with success in the field should assist in building the club's reserves for the future.

**TED LEAHY, ACA FCPA**

## SUBIACO - FLOREAT CRICKET CLUB (Inc) 1st GRADE CAPTAIN'S REPORT

Looking back at the season, and then the one previous, one does not need to be a Rhodes scholar to notice that a dramatic improvement occurred.

I finished last year's captain's report by saying that if we were to improve we needed to set some appropriate individual and team goals, and show a little determination. To the credit of all who played A Grade this year, we were able to achieve this objective and consequently we won a number of close games that required an extra special effort under considerable pressure. I made reference to being a 'champion team' and although at times we played like one, we faulted by losing the semi-final and squandered a lot of very hard work. Despite this a season of 8 wins, 2 draws (one due to rain) and 2 losses is a good season. Hopefully the experience of playing finals cricket, with the extra pressure and excitement involved, will be a learning experience for all. Remember the pain we felt after the loss and make sure that when we get another chance, we don't make the same mistakes.

One particular improvement this year was our fielding and catching. Having a more consistent player line up each week allowed us to field players in specialist positions and consequently a dramatic improvement occurred. Kosta Kapikoff in cover and Rob Campbell at mid wicket or extra cover allowed us to put pressure on batsmen by stopping quick singles and led to a few run outs. Our slips were very good, taking almost all the chances, in particular Steven Glew at second. Brad Hart at gully took a record number of catches breaking a 30-year record at the club. Mike Simpson was outstanding with the gloves finishing with 38 catches for the season.

Our batting was sporadic this year but was generally good enough to allow us to win most games. This is still an area where we can improve. Steven Glew was the best of our batsmen compiling 376 runs at 31.3 including a very good 80 against Perth on a wicket that was not conducive to batting to say the least. 'Glewey' batted very well and did a good job batting in the difficult number 3 position. Rob Campbell and Brad Hart had the next 2 best averages scoring 263 at 26.3 and 286 at 25.9 respectively batting at number 6 and 7 for most of the season. These two batsmen batted very well and often were in the middle when the pressure was on and managed to get us over the line when required.

David Bolton and Bryn Lockie our Scottish friend opened the batting for most of the season and were able to see the new ball off on most occasions. David finished with 227 at 25.4; a commendable effort in his first season of A-grade cricket batting in a difficult position.

Signs of brilliance were shown by the other batsmen but unfortunately they failed to capitalise on opportunities. There has not been an A-grade hundred scored at the club in the past two years. Let's set ourselves to get at least one next year.

Bowling was solid for the season. We narrowly missed two outright wins. This was particularly evident at the beginning of the season in having the luxury of an exceptional bowler in Jeremy Allen. Jeremy only played half the season due to work commitments but finished with 19 wickets at 13.7.

In Jeremy's absence, Sam Howman stepped up with the new ball and bowled very well at times with good line and late swing. Sam finished with 27 wickets at 25.8. Rob Campbell, bowling first change, was often called upon as the partnership breaker and did it with consummate ease. 27 wickets at 14.6 with the ball, a batting average of 27 and very few runs given away in the field indicates a good 'all round' performance.

## **SUBIACO - FLOREAT CRICKET CLUB (Inc)**

### ***1st Grade Captain's Report - continued***

Brad Hart found it difficult at times to get the ball due to the dominance of the pace attack but when called upon bowled well, finishing with 21 wickets for the season. One of the keys to our improvement this year was the ability to build pressure consistently by bowling in partnerships and bowling the odd wicket- taking ball during this time.

Thank-you to all the players for your commitment and humour over the season, especially my deputies Glewey and Simo. Thanks to Ian for your dedication and assistance throughout the year. Finally thanks must go to Peter Capes who assisted us with our bowling and fielding this season, the committee and Phil Thomson for his cryptic score book.

We have now as a team had a taste of success and have played some very classy cricket. Cricket is a great game that is especially gratifying when you win. Let's become that 'champion team' next year and climb over the hurdles we stumbled upon this year.

**GAVIN SWAN**

**1<sup>st</sup> Grade Captain.**

*A Captain's role - "A PR officer, agricultural consultant,  
psychiatrist, accountant, nursemaid and diplomat."*

DOUG INSOLE

## **SUBIACO - FLOREAT CRICKET CLUB (Inc)** **2nd GRADE CAPTAIN'S REPORT**

The second grade team completed the 1998-99 season with a record of 4 wins, 7 losses and 2 draws. Disappointing considering what I thought the side could have achieved at the start of the season.

The most frustrating thing was the consistency of the side. Many times did we play good cricket for 2 or 3 hours, only to throw it away with one very bad hour of cricket. So if the side can improve in this area we can start thinking about playing in finals.

In many ways the season was played in two halves, batting and bowling. The bowling was close to, if not the best in the competition, while the batting was one of the worst in the competition.

When playing together the bowling quartet of Duncan Bond, Phil Henryon, Dylan Allsopp and Brendan Balcombe was the most feared in the competition, with sides rarely passing 150 runs. Duncan Bond spent half of the season playing 1<sup>st</sup> grade and if he can continue to improve his consistency will become an even more effective bowler. Phil Henryon had an outstanding season and again if he can improve his consistency can play a lot more 1<sup>st</sup> grade in the future. Dylan Allsopp's bowling was one of the finds of the season. At the start of the season he was only just getting a game, but he improved greatly and finished taking out the bowling award for 2<sup>nd</sup> grade. Brendan Balcombe was the workhorse of the side, usually bowling 25 overs per innings and tying up an end for the afternoon, and more often than not taking 3 or 4 wickets. I believe that in most other teams these four bowlers would be regular 1<sup>st</sup> graders.

The batting for the season was most disappointing but there were some good signs after Christmas when we started to get some partnerships going and posting some defensible scores.

George Christodoulou showed again that he is a quality wicket keeper with another consistent season, and once given the opportunity to open the innings, often got the team away to a good start.

David Kinsella won the batting trophy and at the age of 17 showed a lot of maturity while batting in difficult circumstances. If he can continue to work hard at his game he has a bright future ahead of him. Daniel Barnes is another young player with a promising future, and finished the season strongly, scoring enough runs to earn a place in 1<sup>st</sup> grade for the finals. Vince Rule, while having a disappointing start to the season, also finished the season strongly and earned a recall to the 1<sup>st</sup> grade for the finals.

For me the highlight of the year was the outright victory against North Perth. We bowled North Perth out for 104 and 85. After making the runs comfortably in the first innings, we required 85 to win off 26 overs on a very difficult wicket to bat. We made the runs with 7 wickets down and Vince Rule hitting a six in the last over to win the game.

To all the players, I wish to thank them for the season, it was a pleasure playing with a great bunch of blokes. I would also like to thank Vince Rule and Chris Payne for helping me out with the captaincy. The 1<sup>st</sup> grade had an outstanding season, but the 2<sup>nd</sup> grade must improve to increase the depth of the club so Subi-Floreat can become a dominant force in years to come.

Every player who played 2<sup>nd</sup> grade this season has the ability to play 1<sup>st</sup> grade, but to play 1<sup>st</sup> grade they must continue to train hard and work on all facets of their game.

**TIM SILINGER**  
**2<sup>nd</sup> Grade Captain**

## SUBIACO - FLOREAT CRICKET CLUB (Inc) 3rd GRADE CAPTAIN'S REPORT

Reflecting back on a year which saw us finish just one game shy of contesting a final series and knowing that there is talent that is capable of delivering more, gives me great encouragement for next year.

The year started in an unfortunate fashion with the first two games rendering a loss and a draw, the respective margins being five runs and a wicket. Our season also included a 4 run loss and a tie. Whilst luck will always play a part in sport, it would be convenient yet ignorant to put all these results down to bad luck. Had we been able to do the little things better and more often like turning over the strike more frequently when runs are difficult to acquire, maintaining pressure on opposition batsmen etc, we would surely have claimed a few more victories. Only time will tell if anything was learnt from these close contests.

The big picture problem for the side was not difficult to pin-point. We managed to bat all day on too few occasions, being beaten only once when we managed to do so. I trust the importance of having wickets in hand for the last session will not be lost on our batsmen in the future. Hopefully next season we will be able to play attractive yet "smart" innings.

The year's statistics will show that Chris Payne and David Kinsella thoroughly deserved their promotion to the seconds with very solid early season form. Congratulations to Chris on taking out the batting award. Damien Casson also started the season in good form with the bat and it was only later in the season when Andre Casson hit his straps that we saw where Damien learnt his craft. Stuart Bond showed us he has all the shots, next year we'll see the hundreds he is capable of. Anthony Tsokos' season ending injury came at an unfortunate time as he had worked hard on the mechanics of building an innings and promised more. Congratulations are also extended to Richard Catlin on his side-saving century against Gosnells. I hope we don't have to wait as long for the next one.

With the ball we were capably led by David Gamsey and John Elliman. Both these guys had good years and at times bowled unplayable spells. If Adam Cross can take his form from the last few games into next year he will have an exceptional year. Useful contributions also came from the old brigade in Paul Kirk, Paul Neale and Andre Casson at various stages.

I'd like to take this opportunity to say congratulations to Gavin Swan and those who represented the club at A grade level. Your hard work was rewarded and gives us all incentive to work that much harder next year. To Ian Herbert, Kerry Darragh, John Worland and the many others who silently go about making our club tick, I'd like to say thank you on behalf of myself and the members of the three's.

Finally, to my team members – thank you for your support. Well done to those of you who achieved the goals you set for yourself. As for the rest of us, see you at pre-season.

**CLINTON PALMER**  
3rd Grade Captain

*"When you win the toss - bat.  
If you are in doubt, think about it - then bat.  
If you have very big doubts, consult a colleague - then bat."*  
W G GRACE

## SUBIACO - FLOREAT CRICKET CLUB (Inc)

### 4th GRADE CAPTAIN'S REPORT

#### Overall results

4 wins                      7 losses                      1 draw

A quick glance at our overall statistics will reveal a couple of facts straight away. Firstly a lot of players represented the club in 4th grade this year! (23 played only 1 or 2 games) and secondly there was a virtual drought of runs. Only one player, Damian Hughes, scored more than 200 for the year. This inability to make defendable scores or to chase scores was a major factor in the 4th's second half of the season slump. One win in the last six games saw us gradually fall down the ladder to eventually end 13th.

The season started promisingly enough with a good effort against Midland Guildford followed by a 1 run win over Scarborough. In this game our team professional Robbie Parr captured his 50th career wicket for Subi-Floreat before jetting out to fulfill his contract in Argentina.

Following a strong win in Round 4 versus Gosnells things were on the up and up. Good performances coming from new players, Graham Pearson, Brendan Bates and Steve Kostarelas plus Damian Hughes and Karl Langdon. Round 5 against University was the Andre Casson show as he showed the way with 6/39 and 90 runs; however with 41 sundries (28 wides) given to Uni, it was a case of what might of been.

If round 5 was a case of what might of been, then Round 6 defies explanation! In short Subi managed 102 against Fremantle. Thanks to Richard Catlin and Justin Swan, who bowled 40 overs between them, we pulled off a great win - sort of. Freo were bundled out for 95! But that wasn't it - more lacklustre batting followed and we added only another 100. 108 off about 12 overs should have been defendable. SHOULD have been!

Round 7 was a great return to form for us. Against North Perth, eventual semi-finalists, we made 225 (Swan 58, Pearce 69) and had them reeling at 8/55 thanks to Justin Swan's 8/56, before winning by 87 runs. Unfortunately our next win was not for another six Rounds. During this time there were some good performances by Ali Medrano (5/38 - Rnd 8), Paul Isaachsen( 4/77 -Rnd 8, 50 -Rnd 12) Hamish McIntosh (96 - Rnd 10) and Brendan Bates (60 - Rnd 13).

Overall this season the 4th grade discovered some players with potential. These included Paul Isaachsen, Brendan Bates and Graham Pearson. However to progress to a point where we can regularly win games requires a core of players who will be regularly available and prepared to put their heads down and graft out an innings. This is essential, since we could bowl sides out for achievable totals.

My thanks go to Ian Herbert the coach, The President, Committee and other Captains for their support during this year. Having given a number of juniors some experience and with our strength in that area, plus the core of experienced players such as Richard Catlin and Hugh Le Tessier to draw on, things look positive for season 1999-2000.

**BERNIE LE TESSIER**  
4th Grade Captain

## SUBIACO - FLOREAT CRICKET CLUB (Inc) COLTS XI BACK TO BACK

Premiers amongst their peers!

In '98 our Colts were unexpected winners of the Premiership. To back up and win the flag again in '99 is proof that it was not a random occurrence and showed the great depth of talent at Subiaco Floreat. The squad this year had a good body of players from the 98 Premiership side together with some new younger players. On balance the team was still very young with only three players in their final Colts year.

Our performances in the home and away games were solid, although not without some anxious moments. Following an easy win against Scarborough in our first game we took to the bush for the second at Narrogin. Sam Howman and Dylan Allsop dispatched the Country lads in quick time and we were back in town for early tea.

We had only the one loss, against Willeton. This was in difficult conditions and although Kosta Kapinkoff batted bravely in working our way into a winning position we were all out with only 14 runs still to get. We followed this up with a nail-biting win against North Perth when we defended a mere 137 runs to ensure a place in the finals.

The Semi-Final against Midland started with a flurry of runs from the Midland batsmen who at one stage were 1/51 off only 10 overs. For our bowlers to dry this up to a final total of 7/206 was a very mature performance and probably set some of the tone for the final. In probably our best batting display of the season the winning runs were scored with the loss of only two wickets.

For the most part we totally controlled the Final against South Perth. Bowling first we held them to a modest 149. Simon Leahy and George Christadoulou followed by Chris Cann started our innings in authoritative style and were cruising to a certain victory at 1/132 when suddenly we were 9/149 - a minor hiccup, which was eventually overcome when the game was won by one run, the result of a wide ball. Despite the rather untidy end to this game it is a victory with which we can be very pleased. South Perth boasted one of the best Pennant bowling attacks around and they had a well regarded batting list.

It was a fine Premiership win.

The Team was ably led all season by Chris Cann together with David Bolton. These two were well supported by all of the players. With the depth of talent in the team they were never short of informed and enthusiastic advice. It is heartening for the club to know that these are the leaders of the Club for 2000 and beyond. We now have a hard core of players who know how to win and like to win. Subiaco-Floreat could not be in better hands

Phil Thomson was again a valued member of the team and not only kept score but also provided some well-received trophies. Our thanks go to Phil. We are also grateful to all of the other players in the Club and Management for their support throughout the season. In particular all young players in the club acknowledge the tireless help and direction given to them by Club Coach Ian Herbert.

To Simon Leahy, Chris Isles and Dylan Allsop we extend our thanks for their efforts and best wishes now that they have made it to Senior status. To next year's squad the challenge is now before you.

**GRAHAM GAUNT**  
Coach

## SUBIACO - FLOREAT CRICKET CLUB (Inc) MASTERS REPORT

The Club's Senior players had a significant start to the season when the WACA decided to retitle the competition "Masters" instead of Veterans. This was in recognition that participants in the competition have highly developed skills rather than just being old buggers.

Yes, that was the start to last year's report but I thought it worth repeating to ensure the message sinks in – especially about the highly developed skills.

The 1998/99 season was hugely successful except for the January wash-out and a cancellation by one opposing team. In all other games every team member got a bat, and if they could manage it, a bowl. All games were very close and we won three out of four. The end result was a lot of very enjoyable cricket.

The first game against Melville set the scene for the season with our first torn hamstring, Frank Collins, and a very close victory. After a good partnership between Chris Smailes and Michael Ribbands, it was left to our last pair, Wayne Davies and Paul Biddle, to make the last 20 runs. Wayne played shots no-one thought he knew existed, let alone was capable of executing. 20 not out at better than a run a ball saw us over the line.

The second match will go down as a "big bang". Almost every member of the Willeton side heard the snap when Chris Smailes did his achilles tendon. We Master's players continue to add to the nation's GDP. Angelo Porcaro was the best performer making 31 runs and taking 3 for 8 with his slow but explosive hand grenades.

The Brothers Raven, Murray and Brian made a return to the club as players and saw us over the line in a big run chase against Midland-Guildford. The match was also notable for a cameo performance from Bruce Watt who made 19 from five scoring shots, including four of the best shots of the season.

(My wife has seen me struggling with this report and poured me a red wine and handed me a cricket ball – I could go on forever).

The final game of the season saw a shortage of players and the need for innovation. Greg Catlin was promoted to open for the first time in his career. It was great to watch as he cover drove ex shield bowler, Peter Clough over gully, on his way to a very competent 26. His partnership with the "silver fox" Paul Forrestal was critical in making us competitive. It was our only loss of the season.

The annual Richard Wilberforce Memorial match between Old Floreat and Old Subiaco was as usual a fiercely contested affair. Subiaco was successful, but that was to be expected.

The star performance in the match came from Dave Phillips. I had just bowled the dangerous Brian Raven for 22 and thought it was such a good ball I would repeat it to Ziggy. Even though he had not batted for many years he had no problem despatching the ball high over mid-wicket for 6. But of course it was not enough to get them over the line. Go Subi!!!

It was an enjoyable year for the Masters. A challenge for next season is how we can make a bigger contribution to the club in general.

**LARRY DAVIES**  
Master of Masters

## SUBIACO - FLOREAT CRICKET CLUB (Inc)

### JUNIOR COUNCIL REPORT

The 1998/99 season again proved to be a successful one with the U/15 team winning a premiership, the U/13 (Inverarity Shield) runners up and the U/17 team narrowly missing the finals.

The U/15 team, coached by David Jones with Craig Sergeant assisting, had an outstanding season, only losing one game, and that was when a large number of boys were unavailable due to college cricket commitments. The strength of this team was in its depth, most boys made significant contributions during the year without any individual dominating. We have a fine crop of young cricketers coming through from this age group and further success beckons. The Grand Final against Wanneroo was an outstanding game of cricket between two very talented teams. Defending 145, Subiaco-Floreat bowled and fielded like veterans to dismiss Wanneroo for 133 in the last over.

The U/13 side once again played in a Grand Final for the eighth consecutive year but unfortunately were beaten by a very good Rockingham-Mandurah team. This team only lost one of their seven games during the year, many victories achieved with ease. Ron Birmingham did a great job coaching this side and his time and effort in improving many of these boys to the level they achieved is appreciated by all. Ron is confident that a further crop of talented boys will be available for next years team and a further Grand Final appearance is likely.

The under 17 team had a frustrating year with many players only available for a limited number of games due to college cricket, as well as a large number (4) of one day games that had to be played due to rain. Winning close games usually results in a finals berth. We lost the close ones and consequently missed out on the finals. A large number of boys played for the team during the year exposing many boys to District Cricket for the first time. At full strength, we believe this team was the equal of any side in the competition. A number of boys played senior cricket as well as U/17 and we have a good number of boys from this side that should do well in Senior Cricket for Subi-Floreat next year.

Congratulations to Brett Jones and Kim Wulff for representing WA in the National U/17 championships in Sydney. Brett was also named in the Australian Development Squad and his future with the club looks exciting. Thanks to Alan Bolton and Brian Kinsella for coaching and managing this team during the year and the efforts are appreciated by all.

Finally I would like to thank all Coaches, Managers, Players and Parents for their efforts during the year and we can look forward to continued success next year.

**ROSS BOLTON**  
Junior Cricket Council President

*"One fascination of cricket is that it never ceases to fascinate.  
To become a devotee in childhood means being hooked for life.  
Happily it is an addiction for which there is no need of  
legislation nor government health warnings."*

DAVID RAYVERN ALLEN from "Cricket: An Illustrated History"

## SUBIACO - FLOREAT CRICKET CLUB (Inc)

### SUBI-FLOREAT'S HISTORY

The Subiaco Cricket Club was admitted to the Western Australian Cricket Association in 1907 and was formed from the remnants of a mercantile cricket club based at Whittakers timber mill in Subiaco. The Club played originally at Subiaco Oval before re-locating to Rosaile Park in the 1960's. Some of the more well known Subiaco players were Johnny Rutherford, Jim Hubble, Des Hoare and a certain R. J. Hawke.

The Floreat Park Cricket Club was founded in 1956 and admitted to the Western Australian Cricket Association as a 2nd Grade Club. The most famous players to be produced by the Floreat Park Club were Australian Test players Kim Hughes and Terry Alderman who both went to the Subiaco Club to play 1st grade cricket before returning to Floreat Oval when the two clubs merged.

The Subiaco-Floreat Cricket Club was founded in 1977 as a result of the amalgamation between the Subiaco Cricket Club and the Floreat Park Cricket Club and commenced playing in the 1977/78 season. Ray Young was the inaugural President and Paul Nicholls the inaugural 1st Grade Captain.

### **M C C (Bill) Bolton (1918 - 1999) - The end of an Innings**

It was with great sadness that we learned of the death of Bill Bolton on 29 January 1999. After starting his cricketing career at Guildford Grammar, Bill (a left hand batsman) joined Subiaco Cricket Club where his father, L B Bolton MLC, was Patron at the time. He left to go to Melbourne in 1938 where he played first grade cricket for St Kilda. He returned to Perth in 1939 in time to join the first grade team in winning the premiership in 1939/40. After the Second World War, Subiaco won two more premierships in 1945/46 and 1946/47, with Bill as a member of the side.

After retiring from playing cricket, Bill spent many years coaching young cricketers in the Floreat area. He was honoured with Life Membership of Subiaco Cricket Club of which he was a member for 63 years. He was a Life Member of the WACA for over 50 years. He is best remembered at SFCC for his annual trophy, the L B Bolton Memorial Shield, a tribute to his father. The trophy is for the Club Cricketer of the Year, and is open to all senior grade cricketers on a points per run, wicket, catch, and stumping basis, won this year by Gavin Swan.

Bill had many other interests, one of which was playing billiards. He won the State title five times. He was the Patron and a Life Member of the WA Billiards & Snooker Association where he had served as state president for 6 years. Bill also played lawn bowls with the Floreat Park Bowling Club where he was a member for 42 years. He was a member of the WAFL and Subiaco Football Club for 35 years.

Away from sport, Bill was a keen 'ham' amateur radio operator, served a term as president of the West Perth branch of Rotary, and was granted honorary membership of that club. Bill leaves a widow, Poppy (to whom many thanks for this information), three sons, Alan, Ross & Neil, a daughter, Helen, and 12 grand-children, to all of whom the Committee's sympathies are extended.
