SUBIACO - FLOREAT CRICKET CLUB (Inc)

PRESIDENT'S REPORT

I guess the highlight of the season was the long overdue call of Gavin Swan to State duties. After his 9 for 23 against Mt Lawley together with his first up State performance it made his season possibly his most successful.

The A grade side under Gavin's leadership together with the support of his deputy, Michael Simpson finished third on the premierships ladder at the end of the season. A poor performance in the finals for the second year in a row was disappointing. However this loss must be the motivation for a better result next season. The club performed well in the Bankwest Cup, making the quarterfinals.

The second eleven under the captaincy of Tim Silinger had a slow year. Again a number of close calls did not go their way. Hopefully we will see an improvement next season. The third eleven led by Clinton Palmer made the finals which was a top result considering the number of times the team was changed. Unfortunately finishing sixth and playing the top team was a difficult task. However the team gave a good performance.

The fourth eleven just missed out on the finals. I do not know what Bernie LeTessier has to get so close to the finals on a regular basis, as often he does not have a full team one hour prior to play. Great effort by the fourth's as this is where our "A" grade players come from.

Coach Graham Gaunt's Colts Team did not reach previous years' heights where the team won the two previous Premierships. We would like to see Graham continue in the coaching roll as his efforts are well recognised.

During the season the Floreat Oval was totally reticulated. Whilst the task was completed during the playing season there was no interruption to the fixtures. The wickets were also awarded top ratings by the umpires and captains. We would like to thank Ross Farlekas and Geoff Harvey from the Town of Cambridge for their efforts and continued support.

The Club hosted the interstate under-19 final and thanks go to Kevin Payne for organising this fixture together with the ladies who kindly donated their time to assist with lunches. Western Women's cricket also played a game on the Oval. The club hosted three WACA finals this year, the first for some time. I make special mention of Chris & Joan Beattie for their work in making the finals a success.

On the subject of catering, thanks go to Jane & Debbie for the lunches & looking after the sale of soft drinks until our roster commences. Look forward to seeing you next year. Thanks to Kate Cann for organising the afternoon tea roster & to the ladies who assisted her. And of course thanks to our favourite scorer Phil Thomson for his cooking on selection nights.

The Committee has had discussions with the City of Cambridge & contributed to a survey in relation to some redevelopment of the area. I will keep you up to date on these matters as further information is received. Again we are in discussion with the Subiaco Football Club about training at the Oval.

We hope to talk to a Suburban Turf Cricket Club about joining Subiaco Floreat Cricket Club. As you would be aware our membership numbers are not high and we must increase our playing numbers to continue to exist. The Lacrosse Club with whom we share Floreat Oval is in a similar position. If both clubs cannot afford to upgrade the premises on a regular basis then same will fall into disrepair.

SUBIACO - FLOREAT CRICKET CLUB (Inc)

President's report, continued

During the year, thanks to the sponsorship of Murray Cutbush and the work done by Chris Beattie, John Campbell and Ian Plaisted, we have updated the Club's Honour Board. The area is well worth a visit to see what has been done. This year's projects include upgrading the score board & replacing the sightscreens.

I would like to thank the Sponsors for their continuing support and invite you to continue to contribute to the Club's coffers as I consider you will see a premiership in the not too distant future. It is with regret that we advise the death of Greg Maskiell, a sponsor for many years.

Unfortunately the Club's coach Ian Herbert will not be renewing his contract with the club due to work commitments and a growing family to look after. Ian has completed 4 years as club coach and during that time we have seen the club rise from near the bottom of the ladder to the top 4. Ian, thank you for your efforts and I believe the accolades you were given at the Presentation Dinner said it all. Best wishes for the future to you, Vanessa and family.

It would be remiss of me if I did not thank my committee, Chris Beattie the net captain and bar manager, our hard working secretary John Campbell, treasurer Ted Leahy, the sponsorship committee headed by Rod Cann and Brian Kinsella, Kerry Darragh as chairman of selectors, David Jones junior playing matters, Kevin Payne the club's delegate, Alan Bolton for keeping a close watch on the curator plus many other duties, Tim Silinger, Vince Rule and past president Ian Plaisted for the part they played in keeping the club running on an even keel.

In conclusion I would like to thank our patron Dr. Liz Constable for her continued support.

JOHN WORLAND
President

SUBIACO - FLOREAT CRICKET CLUB (Inc)

COACH'S REPORT

This season has been rewarding in many areas both on and off the field. Our 1st Grade team showed that they are indeed a force in the competition, qualifying for the finals in both the One Day and the Two Day competitions.

Finishing third at the end of the home and away fixtures meant we had qualified for the finals for the second year in a row. Unfortunately we again did not play well in our first final against Melville who eventually played in the Grand Final against Scarborough and were eliminated. This was particularly disappointing, as we had beaten them twice during the season. We also went one better in the Bank West Cup. This season we made it to the last four teams and had to play Midland Guildford in the Semi- Final. They were able to play both Julian and Angel who were not picked for W.A. that weekend. We fell just a few runs short chasing a score of just over 200.

I do not wish to focus on our losses too long, as over the season I was privileged to see this team play some fantastic cricket. As the coach I am extremely proud of their achievements. The level of commitment they gave to training and to each other contributed greatly to them having a successful season. Winning the flag is not far away now, but it won't come without continued effort on all players' behalf. Players will have been prepared to do whatever it takes as premierships are earned through years of hard work.

I would like to congratulate Gavin Swan on his thoroughly deserved selection in the State Team. Gavin had to set a club record by taking 9 wickets in an innings against Mount Lawley to finally force the selectors to pick him. I hope our other players can take something from Gavin's selection and realise how important it is to perform consistently and not expect an armchair ride to the next level.

Again our 2nd grade team under performed and this is of some concern. The 3rd grade had a sound year finishing in 6th position and unfortunately lost their first final. The 4th grade had a much better season this year. They just missed out on playing in the finals. I believe we will produce better 1st grade players if they have been able to play in successful lower grade teams. Our performance in these grades is an indicator of our overall strength and hence a key priority to be addressed in coming seasons.

As the clubs senior coach I rely heavily on all four captains. I thank Gavin Swan, Tim Silinger, Clinton Palmer and Bernie Le Tessier for their efforts during the season. Graham Gaunt again looked after the colts. Unfortunately they couldn't make it three wins in three years. His assistance throughout the year at training has been most appreciated.

The committee has again supported me throughout the season. All the players appreciate their efforts. John Worland as president has created a supportive environment around the club that should make it easy to retain playing numbers. Once again Kerry Darragh and Chris Beattie in their roles of chairman of selectors and practice captain have been a great help. Phil Thompson continues to supply both me and the players with fantastic statistics. Finally I would like to thank Craig Harms for his efforts again this year.

SUBIACO - FLOREAT CRICKET CLUB (Inc)

Coach's report, continued

Congratulations to all players selected in age-group state teams. These players were Steven Glew, Kosta Kapinkoff, David Bolton, Sam Howman and Brett Jones.

I am stepping down as Club Coach after 4 fantastic years. Subiaco Floreat is a great club and I wish everyone involved every success in the coming seasons. It has been a pleasure to be involved with your club.

IAN HERBERT
Senior Coach

SUBIACO - FLOREAT CRICKET CLUB (Inc)

1st GRADE CAPTAIN'S REPORT

The 1st grade team this year performed very well with a good balance of youth and experience. The teams success, I believe, can be attributed to a much more disciplined approach to our bowling and batting, and when this is compiled with quality fielding and catching, not many teams were good enough to beat us. Consequently we were able to finish third on the ladder, which is an improvement of one position on last year.

Having said all that, the greatest strength that we have as a team, is TEAM SPIRIT. We have won a number of games this year by 'feeding off' each other's success and pulling together as a unit when things become difficult or even seemingly impossible. Perhaps the greatest example of this was the win at Hillcrest in the last game when we won outright to be given the chance to play in the finals. Lets continue our exceptional team spirit next year by doing the difficult things together at training and in games, as well as enjoying the good times at various venues after hours.

The seasons batting resulted in a number of highlights from in particular Kosta Kapinkoff early and Mike Simpson more consistently.

'Simmo' batting at 5 for most of the season, scored 450 runs at an average of 34.6 and on a number of occasions was the person who held our batting together. The patience and discipline that 'Simmo' showed when he batted were an excellent example of how to bat under pressure and his determination and leadership were paramount throughout the season.

Kosta, batting at 4 started sensationally with two hundreds early which resulted in him setting these games up for the team. Kosta finished with 385 runs at an average of 25.6. Coupled with Kostas' explosive batting, he was exceptional in the field, setting the standard for us all.

The remainder of the batting was sporadic in its consistency although Sam Howman, who scored 227 at 37.7 and Rob Campbell who scored 324 at 23.1 batted well in the final overs of matches to win us a number of games. Both these players can be described as true 'all rounders' and very valuable to the team.

Our bowling was strong throughout the season and we managed to bowl all the opposing teams out.

Phil Henryon played his first whole 1st grade season and was at times very quick and unplayable. Phil finished with 22 wickets at an average of 23.2. With a little more consistency on his line and length he should be able to finish next season with 35 wickets plus.

Sam Howman who has evolved into a very good swing bowler, improved as the season progressed. Sam has the ability to dismiss quality batsmen and always gives the team nothing less than his very best. 27 wickets at an average of 17.9 is a good year.

SUBIACO - FLOREAT CRICKET CLUB (Inc)

First Grade Captain's Report, continued

Rob Campbell and our leg spinner Scott Moody found it difficult to get the ball and keep it at times due to the dominance of our pace attack, but when called upon, both bowled well and often came up with the "partnership breaker" that the team needed.

Finally, Vince Rule our last resort, who has the uncanny ability to bowl 'hand grenades' was awesome and cannot go without mention. Vince won us two games and took 7 wickets including a hat trick at an average of 2.4.

In closing, we played in the semi-final of the one-day competition and the elimination final of the two-day competition and lost them both. If we analyse these performances it is clear that we lost those games and we were not beaten by a better team. It is time that we learnt from our mistakes this season and the one previous. Playing in finals is not an everyday occurrence, so lets make sure that when we get our next chance we take it with both hands and make next season the year of the lion.

Thank you to all the players that I had the privilege of playing alongside this season. Your support, friendship and humour make the game great to play.

Thanks to the committee and also to Phil, especially for all those wagon wheels.

A special thanks to Herb, you have been a great coach at our club over the past 4 years and you will be missed mate. A great part of our success can be attributed to you.

GAVIN SWAN

1st Grade Captain.

A Captain's role - "A PR c_jficer, agricultural consultant, psychiatrist, accountant, nursemaid and diplomat."

DOUG INSOLE

SUBIACO - FLOREAT CRICKET CLUB (Inc)

2nd GRADE CAPTAIN'S REPORT

The second grade completed the 1999-2000 season with a record of 2 wins, 6 losses, 2 draws and quite remarkably 2 ties. Disappointingly we finished near the bottom of the ladder, however I don't believe we were too far behind the best sides in the competition.

Frustratingly, for the second year in a row, consistency proved to be our downfall. Many times we would play a good session of cricket only to let ourselves down with a bad session of cricket.

Dylan Allsopp had another outstanding year with the ball being the mainstay of the attack, and showing lot of grit and determination with the bat. He received good support from David Garnsey, who improved immensely throughout the season and bowled some match winning spells, and Geoff Bush who chipped in with important wickets in his first year of second grade cricket.

Daniel Barnes had a very good year with the bat after a slow start to the year and a good start to next season should see him push for a spot in A grade. He received good support from Chris Cann, George Christodoulou, David Kinsella, Tim Beattie and David Darragh. However more consistency is required in our batting if we are to become a successful side.

Brett Jones also put in some good performances and showed that if he continues to work hard at his game he will become a very good all-rounder.

Andre Casson proved to himself that he can play very good cricket at 2nd grade level and played a superb match winning innings against eventual runners-up Scarborough.

I'd like to say thank you to Ian Herbert for his coaching and support over the last four years. He has laid a foundation at the club where if the players continue to work hard at their game in the coming years, a successful era for the club could be just around the corner. Thank you also to Kerry Darragh for his opinions and support, and to John Worland and the rest of the committee for their services throughout the season.

Finally, thank you to all players who played 2nd grade this season, I believe if we continue to work hard on ALL facets of our game, we can have a successful season in 2000/01.

TIM SILINGER
2nd Grade Captain

*"When you win the toss - bat.
If you are in doubt, think about it - then bat.
If you have very big doubts, consult a colleague - then bat."*
W G GRACE

SUBIACO - FLOREAT CRICKET CLUB (Inc)

3rd GRADE CAPTAIN'S REPORT

If it is by the placing on the ladder that you measure the success of the 99/00 SFCC third grade side, then it can perhaps be said to be "half decent" to use a Herbyism. . A win in the last round and some other results needed to go our way in order for us to count ourselves amongst the best six sides. Bayswater-Morley came within 6 runs of ending our season in the last round but fortunately we prevailed and other results went our way, which secured us a finals berth. We were unsuccessful in the elimination final against the minor premiers, but didn't depart from the race without giving Willetton a wake-up call, particularly after the first day when we were 0/32 chasing 192. However, perhaps a better measuring stick for the side this year would be to consider how much we missed the game the following week once we were out of the race. After speaking to other members of the side I know I'm not alone in missing the camaraderie which had developed throughout the year. I don't think this feeling of being part of a team can be understated. Relying on others and having others rely on you to do your bit is one of the reasons cricket is such a great game to play.

One of the pleasures of playing in the thirds is to see a new crop of young players arrive at the start of a season, pick up a bit from playing some competitive cricket in the threes and move on up the grades. As with previous years, I don't think this one just gone will be any different. As the stats for the year make evident, Justin Stafford had an outstanding year. His 218 run partnership with Paul Slinger (150*) was one of the highlights of the season. Justin has a temperament that belies his youth His ability to bat for long periods of time enables partnerships to be built which invariably leads to defendable totals. Graham Pearson and Adam Bolton opened the batting for us and both played some very good innings during the year. Sean Duffy hits the hardest pull shot I've seen and Paul Neale the best one kneed anything. Paul Isaachsen, Vinnie Sandhu, John Elliman, Luke Sweeney each had their moments that showed that there is more to come. On the bowling front our stand out performer was Paul Isaachsen. His form in the last qualifying game and the first final where he took a couple of 5 wicket hauls proved what he is capable of when fed raw meat. His end of season form was remarkable. The side was also lucky to have the benefit of a good leg spinner in Luke Sweeney. His ability suggests he was born in the southern hemisphere. John Elliman and Scott Parry each had some match winning spells throughout the year. If a fielding award were to be given it would be difficult to split it between Paul Neale, Sean Duffy and Vinnie Sandhu. Scratcher would probably get it on a run-out count back though.

On behalf of the third grade side I would like to thank Ian Herbert for what he has done for our individual games and for the mark he leaves on the club after four years of enthusiastic guidance and encouragement. His approachability and willingness to help will be missed. Kerry Darragh has also been a tireless worker for the club in his capacity as chairman of selectors, in what is usually a thankless task. For efficiently run net sessions we would also like to thank Chris Beattie. My personal thanks go to every member of the side this year for keeping me enjoying the game. I am already looking forward to next season, hoping to build on this year's successes and walking away with the flag.

Many Thanks - PS One last time, **OCCUPY THE CREASE!!!!!!**

CLINTON PALMER
3rd Grade Captain

SUBIACO - FLOREAT CRICKET CLUB (Inc)

4th GRADE CAPTAIN'S REPORT

Overall results 8th on ladder 5 wins 7 losses 1 no result

Following a rebuilding year in 1998/99 in which the 4th's fielded nearly 4 full sides during the year, a more consistent line-up this season afforded the 4th Grade a more successful year in 1999/2000. We were a very consistent side and the second half of the season saw the fourths produce three excellent wins in the final 4 rounds. These included defeating finalists Perth by defending a small total at Alderbury, successfully chasing 274 against Melville, making 6/292 and downing eventual premiers North Perth by nearly 100 runs at Floreat Oval. The last two games featured a century-plus opening stand in each game by Damien Hughes and Joel McShane. The last three games featured good performances in all aspects of our game. Good aggressive batting, tight pressure bowling and supportive fielding featuring good catching. By the end of the season, we were a confident team who knew how to win and all players involved should have learned a lot from these good wins. Come season's end, we were left to rue some early losses, 3 games going against us by a total of only 27 runs.

A number of players had excellent seasons but none more so than Damien Hughes who made 429 runs at the excellent average of 42.9. His season included 4 half centuries, scoring 91, 89, 64 and 57 not out. Two of these innings were match-winning digs and his 91 was from a team total of 161. Add to this 8 wickets at 12.75 and 12 catches and you have an excellent contribution. His successful season should be a stepping stone to better things. Jason Bull also featured prominently and was just pipped by Damien for the best average. Jason's 4th Grade result of 287 @ 41 was excellent, unfortunately his 3rd Grade efforts met with little success. Other batting contributions came from Joel McShane - 236 @ 18.15 (he would love me to quote only his year 2000 figures), Bernie Le Tessier 222 @ 22.2, Sam Pearce 120 @ 24, and Vinnie Sandhu 111 @ 55.5. Richard Catlin averaged 21.33 in his shortened season, and the year saw the welcome return of Brad Barnes.

The bowling uncovered some very good new talent in Dave Reddie - 16 wickets @ 17.81 and Ian Hyland 17 wickets @ 20.47 including 6/37 on debut vs University. Both these bowlers also have the talent to rise to a higher level of cricket. Other contributions came from Bernie Le Tessier, 15 wickets at 18.26, and Robbie Parr, 14 wickets at 19.28, including a sensational 5/10 in Round One! Richard Catlin chimed in with 10 wickets at 14.2.

Other contributions during the year came from Steve Petsos who took the most catches with 13, John Symington showed promise with his gutsy 48 against Midland-Guildford, and Ben Saunders took 4/36 against Mt Lawley. John Elliman also made the odd appearance this season but took too many wickets to stick around for long.

With a number of experienced players available to blend more frequently with younger players this year, the fourth grade progressed as a team. Our challenge for next year is to continue that trend. Continued on-field commitment and application at training will achieve this, and this brings to mind the efforts of our club coach Ian Herbert. Herbie has done a great job and the attitude he has brought to Floreat Oval has worked its way through all the grades. Herbie's words have been as applicable to the 4th's as to any other grade, and his influence on the 4th's will be missed. Thanks, Ian and thanks also to President John Worland, net captain Chris Beattie, and all other members of the committee who have worked so hard to make Subiaco-Floreat a successful and happy club.

BERNIE LE TESSIER, 4th Grade Captain

SUBIACO - FLOREAT CRICKET CLUB (Inc)

COLTS XI

BACK TO EARTH!

Following our great success of the past two seasons the Colts were this year brought back to Earth with a small thump. We fortunately suffered only one major defeat, however any loss is just that. A loss.

Three successive losses cost us any chance of making the finals. In each of those games we failed to bat out all of our fifty overs and paid the price. However we can take heart from the gradual emergence of a new group of young players who have yet to find their feet in what is a very tough competition.

We opened the season with a relatively easy win against Melville and the season looked to be on track. The game against South Perth was set to be a rematch of last years final. Unfortunately we were unable at any stage to exert a real influence on the game and were well beaten.

Although this loss was disappointing we were confident of a win against Rockingham. Despite the loss of two players to State duties we were sufficiently well manned to secure a win. In the end we fell just 5 runs short of the target of 187 set for us. A disappointing result considering the great efforts of a few senior players, Kosta Kapinkoff, Sam Howman and Daniel Barnes, who got us to within reach of victory.

The loss to Rockingham proved the turning point in the season since as it turned out we were without all of our A Grade players for the last game of the Season against Wanneroo. Following a tidy but not exceptional bowling performance we made a good start, chasing 8/231, led by acting captain George Chrstadoulouo (49). We were not however able to build on this, and were eventually bundled out (178) well short of the required runs. Despite losing this game it was a valuable opportunity for our younger players to move up and play without the seniors alongside them. On balance they acquitted themselves well.

With the departure next year of Club Coach Ian Herbert, many Colts will lose a valued and respected mentor and Club Coach. All Colts wish him the very best of luck and thank him for his tireless efforts. He leaves our senior Colts well prepared for long and profitable careers in cricket.

At the start of the season we would have expected a much better outcome than what we achieved, but as in all things, there are lessons to be learned and new challenges to be met. The lessons were simple. We must play each opponent on their merit. If we want to be champions we must play our best cricket all of the time.

The challenge is to now get back to our rightful place as leaders of all cricketers under the age of Twenty-One in this state.

Results

Subi-Floreat	180	Melville	145
Subi Floreat	91	South Perth	1/92
SubiFloreat	182	Rockingham	9/187
Subi Floreat	178	Wanneroo	8/231

MASTERS REPORT

The 1999/2000 season was a very disappointing one as we were only able to play two of the scheduled six games. In the two games scheduled for early in October our opponents were unable to field sides (some suggestion they were too scared to face our powerful team). The two January matches were washed out.

Our first match was against Fremantle. Glyn O'Brien and Greg Fitzgerald were awarded their "Master" status, playing their first games with the team. Glyn then opened the bowling with brother-in-law, Brian Raven. The bowling was of a high quality with only Peter German (Eagles assistant coach) getting on top of our attack. They finished with 8 for 191 from their 45 overs.

After 10 overs we lost Steve Mulhall for 58. His partner Paul Forrestal was not out on 5. We struggled from that point on. Fitzgerald and Staff both got into the 20's but no one was able to put together a decent score. Our cause was not helped by Fremantle's decision to give their A Grade opening bowler, Dean, a full 9 over spell. His 2 for 18 was critical.

Our only other Masters game was against Midland – Guildford at Lilac Hill. Midland had a very strong batting line up with Griffiths, Negus, Penfold and Weinman at the top of the order. They all performed to help Midland to 6 for 204. Highlights for us were Brian Raven's bowling, including proof that he can still produce a bouncer, Wayne Davies great outfield catch and Angelo Porcaro who set an unofficial world record for the slowest bowling of all time. The slower Angelo bowled and the higher he threw it up the less likely lower order batsman was to score a run, one for 9 off four slow overs.

John Fitzgerald, 38 and Graham Stafford, 54 retired from 50 balls set up our run chase. A slight hiccup losing 3 wickets for three runs left us at 7 for 188. Ross Bolton and the skipper saw us past Midland with more than two overs to spare.

The annual Richard Wilberforce Memorial match was a terrific contest with many highlights. Old Floreat's 225 proved to be good enough with Old Subiaco making 214. Some memorable fielding efforts by Kim Hughes were overshadowed by Ross Bolton's effort of allowing four all run while he "raced" after the ball and "fired" it in.

A highlight of the match was the attendance of a club life member, John Dickens. Dicko, now 80 years old, relived many of his memories as a leader in the Subiaco Cricket Club and the 4th Grade teams he captained and coached.

Consideration will be needed to be given to the format of the game as the Subiaco players are aging and the selection pool is shrinking. How much longer can Ivan Lally's 40 year old boots hang together?

An abridged season for the Masters but we will return next year better for the rest and pre-season preparation.

LARRY DAVIES
Master of Masters

SUBI-FLOREAT'S HISTORY

The Subiaco Cricket Club was admitted to the Western Australian Cricket Association in 1907 and was formed from the remnants of a mercantile cricket club based at Whittaker's timber mill in Subiaco. The Club played originally at Subiaco Oval before re-locating to Rosalie Park in the 1960's. Some of the better known Subiaco players were Johnny Rutherford, Jim Hubble, Des Hoare and a certain R. J. Hawke.

The Floreat Park Cricket Club was founded in 1956 and admitted to the Western Australian Cricket Association as a 2nd Grade Club. The most famous players to be produced by the Floreat Park Club were Australian Test players Kim Hughes and Terry Alderman who both went to the Subiaco Club to play 1st grade cricket before returning to Floreat Oval when the two clubs merged.

The Subiaco-Floreat Cricket Club was founded in 1977 as a result of the amalgamation between the Subiaco Cricket Club and the Floreat Park Cricket Club and commenced playing in the 1977/78 season. Ray Young was the inaugural President and Paul Nicholls the inaugural 1st Grade Captain.

JUNIOR COUNCIL REPORT

The 1999/2000 season turned out to be a little disappointing with only the U/13 Inverarity Shield team making the finals.

The U/13 side, coached by David Hansberry, played in the Grand Final for the ninth consecutive year but unfortunately did not show its true colours on the day and were narrowly beaten by Scarborough. Prior to this they had not lost a game and many of their victories in the qualifying rounds (eight in total) were achieved with ease. The strength of the team was its depth with a number of different boys making significant contributions during the season. We have a fine group of young cricketers coming through from this age group and David is confident that further success beckons in the coming years. Our congratulations go to Adam Kapinkoff on being selected the Inverarity Shield Cricketer of the Year for his outstanding efforts throughout the season.

The U/15 team had a year that their coach Ron Birmingham said will provide valuable experience to his very young squad. The majority of the boys in this team had come straight up from the previous years under 13 side and found the competition quite tough against opponents usually a year older and much more physically developed. Ron believes that with the players he is retaining from this years side, combined with those boys graduating from the 13's, he will next year field a far more competitive team.

The U/17's had a frustrating year with many players only available for a limited number of games due to college cricket, as well as having to play a number of 30 over one-day games due to rain. The number of college players in the club at this age level is an ever-increasing problem and at various times throughout the season coach Graham Stafford was still busily ringing around on Friday nights trying to organise players. On the plus side, however, it did offer the opportunity to a number of boys to be exposed to District Cricket for the first time. Similar to the under 15 team most of the boys from this years team will still be eligible to play next year and Graham believes that, at full strength, the team will be the equal of any side in the competition. A number of boys were also selected to play senior cricket through the year and showed that they will be invaluable players at this level in years to come. Congratulations also to Phil Edwards, Ian Hyland and Chad Jones on their inclusion in the 2000/01 Preliminary State Under 17 squad, preparing for the National Championships. We wish them good luck with final selections.

In closing I would like to thank my Committee, Coaches, Managers, Players and Parents for their efforts during the season and look forward to continued support and success next year.

DAVID JONES

Junior Cricket Council President

*"One fascination of cricket is that it never ceases to fascinate.
To become a devotee in childhood means being hooked for life.
Happily it is an addiction for which there is no need of
legislation nor government health warnings."*

DAVID RAYVERN ALLEN from "Cricket: An Illustrated History"

GOAL SETTING PROGRAM

Step 1 Write down the specific goal

"An important goal which I want to achieve is."

Step 2 Give it a time frame

"The time frame for achieving this goal is."

Step 3 Explain why it is important

"This goal is important because."

Step 4 Note where you are now

"My current position in relation to this goal is."

Step 5 Identify the potential blocks

"The things which may block me in achieving this goal are."

Step 6 Identify the resources

"The resources needed to achieve my goal are."

Step 7 Construct your detailed plan

"My plan to achieve this goal is."
