SUBIACO - FLOREAT CRICKET CLUB (Inc) PRESIDENT'S REPORT

The 2001-2002 season was again a very successful one for the club. A Grade were premiers, 3rd Grade premiers and both under 15's and the Inverarity Shield sides were premiers. The club has won the minor premiership and Club Championship for the second year in a row. I understand it is many years since a WACA club has been A Grade premiers and Club Champions 2 years in a row. As season 2002/03 is our 25th year as a WACA club it would be fitting to add another premiership to our already impressive record.

Our bowling was again our strength and I go as far to say we have the best attack in the WACA competition. However, our batting is somewhat brittle at times and I am sure coach Noel Knight will implement increased practice to overcome this problem as we do have very competent players at the club.

Noel was deservedly appointed Assistant State Coach at the commencement of the season. Congratulations Noel.

Gavin Swan, A Grade Captain, had a great season taking 45 wickets, 9 in the finals. This figure does not include Shield performances. His best effort was 6/21 against Willetton. Gavin was awarded Man of the Match in the A Grade final. He was capably backed up by his deputy Michael Simpson and his teammates. Gavin will be taking long service leave from Trinity College and will shortly leave to play cricket in the UK. He will meet up with teammates Murray Goodwin and Scott Moody. Murray made another very valuable contribution in the A Grade final with a well-timed century and as did Moods taking 5-for in a very professional team performance.

Tim Silinger was again in charge of the seconds. A couple of close games cost them a place in the final 6. André Casson commenced the season as third grade captain. His performance saw him promoted to the seconds and in his one game with the A Grade, batting in the lower order, hit a sparkling 49 n.o to get A Grade home by one run.

David Darragh took over the Thirds from André and took the team on to a premiership albeit he was assisted with the return of André and Vinny Rule. The latter's batting in the second innings saw SFCC win a close final.

Adam Bolton (we went for youth) took charge of the 4th grade. He did a commendable job although he had good support from the older brigade in Bernie Le Tessier and Ross McQueen.

Murray Goodwin and Gavin Swan both performed State duties with Michael Clark catching the selectors' eyes in the later part of the season. There were many milestones achieved during season 2001-2002; Gavin Swan with 300 wickets, Steve Glew 3000 runs & 100 games, Sam Howman 100 wickets & 50 games, David Bolton 50 games, Kosta Kapinkoff 50 games, Chris Cann 1000 runs, Rob Campbell 100 games and Michael Simpson 2000 runs. Well done.

Sponsorship is the lifeline of this club and I thank all sponsors for their support and hope you will continue. Now is the time for new sponsors to be part of a successful club. The club financial position has improved but this is mainly due to funds received from winning the premierships.

SUBIACO - FLOREAT CRICKET CLUB (Inc)

President's report, continued

In an effort to maintain council funding for the preparation of the turf wickets, John Campbell and I presented the club's business plan to council. We were commended by the councillors on the detailed and professional presentation. We hope to receive a favourable response. I would like to personally thank all those who assisted with the business plan with special mention to John Campbell and Graham Stafford.

To members of the committee, I thank each and everyone for your input during the year. To have a successful club the administration must lead the way and you have done that very successfully. I hope you will all nominate for the next season.

I would like to thank the following for their support during the year:

- Joanne Bolton for rostering the afternoon teas and thanks to the mums, dads & girlfriends who assisted. Afternoon tea is part of the team effort and we do require your support.
- Jane and Kylie for the lunches, Phil Thomson scoring, Richie Hann for the photography and Glen Bond for framing the club-championship photos.
- The Town of Cambridge, Mayor Ross Willcock, Councilor Ken McAullay, Councilors, CEO Graham Partridge, Ross Farlekas, Cam Robbins and Geoff and Dave, our curators.
- David Clear at the WACA for his assistance to the club.
- Michael Simpson for being MC at our very successful wind up and David Jones and Steve Petsos for co-ordinating the evening.

Looking forward to another successful year in 2002-2003.

JOHN WORLAND

President

COACH'S REPORT

It was always going to be difficult duplicating the outstanding achievements of the 2000/01 season. The Club lost the services of many quality players from last season, however this provided an opportunity for U/17 players to step into senior cricket on a regular basis. This they did with a sense of commitment and passion and, along with other committed players, were instrumental in assisting the Club in its successes this year.

With back to back Club Championships, Minor Premiers in Grades 1 and 3, and Premierships in both Grades 1 and 3, this was again an outstanding season. The Second grade finished seventh and the Fourth grade eleventh. Disappointingly, the senior side was again eliminated in the semi final of the Bankwest Cup and the Colts side failed to qualify in their one-day competition.

Sixty players represented the Club this season with First grade (20 players), Second grade (22 players), Third grade (26 players) and Fourth grade (25 players). It was pleasing to note that eleven junior cricketers represented the Club on a regular basis and all acquitted themselves very well at various stages throughout the season.

SUBIACO - FLOREAT CRICKET CLUB (Inc)

Coach's report, continued

On a statistical note, in the qualifying fixtures, there were eight hundreds scored and forty nine times a player exceeded fifty runs in an innings and twenty times a bowler took five wickets or more in an innings. These statistics were very similar to the 2000/01 season and reflects just how the two seasons ran in parallel.

In assessing the season, the following comments are made:

- Pre-season

Training commenced early August and again consisted of fitness work in the form of boxing and light weight routines one night per week and in-door net sessions at the WACA one night per week. The attendance through August and the early part of September were poor and the cause for much concern leading up to the start of the season. Well done to those U/17 players who attended on a regular basis and built a strong foundation for the commencement of their season. I believe the WACA fixturing this season assisted the Club as it was not until the second half of the season that we played those Clubs who finished in the top half of the Club Championship Table.

- Batting

Last year's report highlighted the need for batsmen to develop a mental toughness which would enable them to be more patience and bat for longer periods. The perennial problem of batsmen failing to go on once getting starts was again a significant factor in some poor batting performances this season, and is supported by the ratio of 50's to 100's scored. Players in all grades must develop a game awareness, which would ensure they were not dismissed at crucial stages of an innings and must also be prepared to develop their game outside the normal training sessions. Until they are prepared to do this, they will be dogged by inconsistent batting performances.

- Bowling

I don't believe our bowling was as strong through the grades this season with many of the players who didn't resume playing duties with the Club being bowlers. However, it is interesting to note that the bowling statistic of twenty five-wicket hauls was slightly better than last season. It was the second and fourth grades which were a little undermanned in this area, and I consider the captains of the respective grades did a marvellous job manipulating their bowling attacks to ensure relatively successful seasons.

- Fielding

This facet of the game was of a generally high standard although some lower grade players need to show significant improvement. This will only occur with a real desire to improve and consistent quality practice.

- Training

In the main, training was well attended and conducted in a professional manner. However, the perpetual problem where many players arrived late or having arrived on time are slow preparing themselves in readiness to start training is still cause for concern.

SUBIACO - FLOREAT CRICKET CLUB (Inc)

Coach's report, continued

- Practice Wickets

The practice wickets are sub standard and quite dangerous and the Club administration is working hard with the Town of Cambridge to remedy the situation. To the player's credit, they have been familiar with this situation for many years and accept the situation. Any improvement in this area would be most welcomed by the players and I'm sure any improvement in these facilities would be reflected in improved batting performances.

- State Representatives

Well done to Gavin Swan, Murray Goodwin and Michael Clark who all represented Western Australia at 1st Class level. Also to Sam Howman, Steven Glew and Kosta Kapinkoff who were selected to represent Western Australia at 2nd Eleven level. It is hoped next season will provide opportunities for those and other SFCC players to represent their State.

Along with the players, many people have made significant contributions to our success this season. To Chris Beattie, Kerry Darragh, Alan Bolton, Jim Hubble, Ian Herbert, Craig Harnes, John Worland and the Club Committee and the respective grade captains Gavin Swan, Tim Silinger, André Casson, Dave Darragh and Adam Bolton, I thank you all for your efforts.

Having achieved the great heights of success over the past two seasons it is vitally important the Club doesn't rest on its laurels and think that success will be automatic. We as a Club are now gauged as the "yardstick" by other WACA Clubs and must all strive to improve our respective performances whether it be as a player, coach or committeeman. If we can continue to achieve this then I'm confident that SFCC will remain at the pinnacle of the WACA competition.

I look forward to renewing my relationships with everybody next season.

NOEL KNIGHT
Club Coach

SUBIACO - FLOREAT CRICKET CLUB (Inc)

SUBI-FLOREAT'S HISTORY

The Subiaco Cricket Club was admitted to the Western Australian Cricket Association in 1907 and was formed from the remnants of a mercantile cricket club based at Whittaker's timber mill in Subiaco. The Club played originally at Subiaco Oval before re-locating to Rosalie Park in the 1960's. Some of the better known Subiaco players were Johnny Rutherford, Jim Hubble, Des Hoare and a certain R. J. Hawke.

The Floreat Park Cricket Club was founded in 1956 and admitted to the Western Australian Cricket Association as a 2nd Grade Club. The most famous players to be produced by the Floreat Park Club were Australian Test players Kim Hughes and Terry Alderman who both went to the Subiaco Club to play 1st grade cricket before returning to Floreat Oval when the two clubs merged.

The Subiaco-Floreat Cricket Club was founded in 1977 as a result of the amalgamation between the Subiaco Cricket Club and the Floreat Park Cricket Club and commenced playing in the 1977/78 season. Ray Young was the inaugural President and Paul Nicholls the inaugural 1st Grade Captain.

In the season 2000/01, we won the club championship by a margin of 300 points, which was the largest winning margin on record. In 2001/02, we became the first club since 1982/83 to win back-to-back 1st Grade premierships, the first club since 1986/87 to win back-to-back club championships, and the only club in the history of the WACA competition to win back-to-back club championships and first grade premierships.

SUBIACO - FLOREAT CRICKET CLUB (Inc) 1st GRADE'S REPORT

Over the Easter weekend the first grade managed to cap off a mixed, but successful, season with the premiership. When Sam Howman scooped a catch centimetres from the turf off Scott Moody's bowling, South Perth were found 66 runs short and more importantly Subiaco-Floreat became the first side in 20 years to win back to back first grade premierships.

Sitting around afterwards in Michael Simpson's front yard, the team was comparatively subdued and overly reflective at the same scene as after last year's premiership. As an excuse to keep the celebrations rolling, the phrase 'It's not everyday you win a premiership' was coughed out, as another stubbie was funneled down. Well, as Simmo pointed out at the presentation dinner, it's not everyday you win a premiership, but it's becoming a fairly regular occurrence for the boys.

As the celebrations flow into the winter months I would like to congratulate the 13 players who contributed to the first grade premiership. I would also like to take this opportunity to congratulate the Thirds on their premiership and also David Jones and the juniors who delivered both the Inverarity Shield and U/15's flags.

The first grade season started well with solid victories over some of the less competitive teams. By Christmas were on top of the table mainly due to our ability to capitalise when the opportunity presented itself. An outright win over Rockingham-Mandurah and a first innings result over Mt Lawley after rain shortened the game to a day, meant we had top spot at Christmas. Our strength, as always, was our ability to bowl sides out. Sam Howman was particularly impressive early and was selected in the State 2nds along with Michael Clark, Steven Glew and Kostadin Kapinkoff, all of whom also started strongly.

The second half of the regular season proved frustrating. We rarely made a score over 200 during this period and momentarily lost top spot. It was once again our bowlers who kept us on the winners list with devastating displays of seam and swing bowling on some bowler-friendly wickets. One bowling effort and one batting effort stood out clearly leading up to the finals. After being reduced to 145 against Willetton at Floreat Oval, we came out with our tails up and thanks mainly to Gavin Swan (6/21) had them 9/34 overnight setting up a much need outright victory. Secondly, out at Lilac Hill, we suffered 359 on day one against the 'towners. In the face of adversity, following some insipid displays with the bat in weeks preceding, a team effort saw us within a hundred runs before another mini collapse seemed to have the game beyond our grasp. Scott Moody and André Casson (on debut) then put on 98 runs in 57 minutes to steal the match in the last over. This was one of the true highlights of the year.

We did finish the season on top and made the Grand Final. Like the previous year we met the team we lost to in the elimination final. The Grand Final was one of those games where, typical of our team, we did it hard but produced the goods when it counted most. Kosta, our most consistent batsman over the year, made 79* not out in a first innings of 188 and when South Perth survived a spirited assault from our bowlers to lead by 53 runs on the first innings, it was time to stand up. We responded with 335 declared thanks to an opening stand of 126 from David Bolton and Robbie Campbell and a superb century from Murray Goodwin. Scott Moody tidied up a tense final innings taking 5 wickets and South Perth were left 66 runs shy of victory. Swanny was man of the match with seven wickets.

This year we once again reached the semi-final stage of the Bankwest Cup only to be soundly accounted for by Willetton. We had played some good cricket to get to that stage and I'm sure next year we will have another crack at the elusive one-day crown.

SUBIACO - FLOREAT CRICKET CLUB (Inc)

First Grade's Report, continued

Individually Sam Howman won the bowling award following his best season, Murray took the batting after finishing the year strongly and Swanny made life easy for Phil Thompson by winning the best and fairest again.

A special mention must go to Phil Henryon and Daniel Barnes. Both made considerable contributions throughout the year as part of the side and missed out on Grand Final selection. Dan was particularly unlucky missing only one game all year, and that was due to illness.

Finally Swanny asked me to pass on his thanks to the committee for all their support and all the non-playing members, mums, wives and dads who give up their time to organise afternoon teas, attend the scoreboard or just come down and support the boys.

Special thanks to Noel Knight who once again produced the goods. This was Noel's fourth consecutive A grade premiership so life has been deprived of beer and skittles for some time, eh Hammer? Also thanks once again to Phil Thompson who pens the neatest and most confusing scorebook in the competition. Phil has any statistic you need at any time you need it, and often stats you don't need when you don't want them. Phil also donates the fairest and best trophy for the first grade. Cheers Phil!

The first grade hasn't been won three years in a row for about 80 years. With a strong club and a good bunch of blokes working together, we'll be back next year to give that a good shake.

CHRIS CANN

(on behalf of 1st Grade Captain, Gavin Swan, who is playing cricket in the UK).

2nd GRADE CAPTAIN'S REPORT

Although very disappointing at the time to lose our last game and drop out of the top six, there were a lot of positives to come out of the season. Looking back and considering the number of players lost to the previous season the side did fairly well to finish seventh.

The successful season by first year players Chad Jones, Wes Lind, Ian Hyland and Sam Pearce was a huge bonus and each made match-winning contributions throughout the season. The performances of senior players Chris Payne, Vince Rule, Dan O'Regan and André Casson showed that they still have a few good seasons left in them.

The batting was the best part of our game during the season. We made over 300 six times during the season and only failed to make 200 twice. The most pleasing aspect of this was the number of big partnerships that were put together which often ensured we made decent scores. The best being a stand of 207 between Chris Payne and Dan O'Regan against Willetton with both of them making centuries.

George Christedoulou returned to the club after a stint in Albany and had an outstanding season. Doing the toughest job in the business, opening the batting, George came close to playing A grade several times and a spot in that side shouldn't be too far away. Chris Payne and Dan O'Regan also had great seasons batting in the middle order, with Chris taking out the batting award and Dan, after briefly being dropped to 3's fighting his way back to play a couple of A grade games.

SUBIACO - FLOREAT CRICKET CLUB (Inc)

2nd Grade Captain's Report, continued

The bowling at times lacked penetration, however the opposition sides only made 300 once (and Willetton still lost). The two best bowlers Wes Lind and Ian Hyland were both playing their first year in seconds and both had a taste of A grade. If they both keep working hard at their games they will become regular A graders for the club.

Chad Jones also had an outstanding season. After a shaky start to the season his batting and wicket-keeping improved immeasurably over the season, culminating with him winning the cricketer of the year award for the club.

The highlight of the season for me was our performance (or recovery) against Joondalup. In a must-win game for the team, we slumped to 5/35 early on the first day. With the top five batsmen in the pavilion, it was left to Chad Jones and the bowlers to make a defendable score. With Chad making 127 and the bowlers each making contributions to make 9 declared for 341 was quite remarkable. An unbroken stand of 93 for the last wicket between Wes Lind and Gianni Di Rosso left the Joondalup players shattered. The following day a hard working team performance saw Joondalup all out for 261, and a great victory had been achieved.

The season has been another very enjoyable one playing for S-F and especially being part of back-to-back club championships. Thank you to Noel Knight and the committee for your support during the season, and to the players for making the job of captaining the side very easy.

TIM SILINGER

2nd Grade Captain

3rd GRADE CAPTAIN'S REPORT

The 2001/02 season saw the threes win its first premiership since Ross Bolton was at the helm in the 1980's. A memorable six-wicket victory over arch-rival Joondalup in the Grand Final was just reward for the hard work of a close-knit team which had lost only one game during the season. I don't think any of the team will forget the feeling of winning the game after playing stunning cricket on the third day of the four-day grand final. Not only did it allow an extra day of celebrations but it was fitting that we saved our best cricket for when the most important game was there to win.

We lost six players from last season's team which was knocked out in the semi-finals. But the return to the club of a couple of the 'old school' bolstered the team. Gianni Di Rosso, resplendent in Subi's premiership tracksuit from the 1987-88 season, Justin Swan and Anthony Tsokos all played big roles in the team's success.

Through attacking and disciplined cricket the team won 12 of the 13 qualifying games to finish minor premiers with only a loss to Joondalup in the penultimate round. The fact that we won seven very close games was indicative of the competitiveness and spirit of all players who represented the thirds. It also pointed to the even contributions from both batsmen and bowlers, who were able to step up and share the responsibility when the side was in trouble. Memorable wins against Wanneroo, Gosnells, South Perth and Scarborough gave the team confidence when it came to playing under finals pressure.

SUBIACO - FLOREAT CRICKET CLUB (Inc)

3rd Grade Captain's Report, continued

The team then won all three finals games. A fine century by Vince Rule and devastating bowling by André Casson and Dos saw us humble last season's premiers Bayswater-Morley in the first final. We had to dig deep for a last gasp 14-run win over Wanneroo in the semi-final. Cas again proved a match-winner with 5 wickets and some valuable runs.

The four-day grand final at Fletcher Park shaped as a Big Brother-like test. Not only were most of us facing four days of cricket for the first time but we also had to spend that time in a confined space with Vinnie Sandhu and Darwin speedster Brenton 'Mad Dog' Muir. Despite these worries, the game proved a triumph for our team spirit and was a tremendous experience for all. After a see-sawing first two days when Joondalup regained the initiative to lead by 14 runs on the first innings, the team was able to refocus and devastate the Centurions on a dramatic third day. At one stage Joondalup's batsmen were cruising with a lead of 130-odd and 7 wickets in hand. But a miracle ball from Tsoks lifted everyone's spirits and produced a collapse of 7 for 35 which left us chasing 168 runs to win. Dos, Mad Dog and Tsoks did the damage.

There were a few tense moments during a scintillating run chase that saw us reach 100 off about 17 overs. Despite losing some quick wickets we were able to grind out the last 50 runs to win a fantastic game. Man-of-the-GF Vinny Rule (90 not out) and Sam Pearce (46) led the way. It was pleasing that every player made a contribution during the match.

Throughout the season, big efforts by gun batsmen Vince Rule (two centuries) and Sam Pearce and tireless bowling from 'Mad Dog' (41 wickets), Dos (30-odd wickets) and André Casson set up many wins. But many others chipped in regularly to make us a formidable team.

Several young players emerged including big left-handed opener Andy Malajczuk and all-rounders Alex Malcolm, from the under-17's, and Chris Hansberry, from the under-15's. Both Alex and Chris bowled well in several close games and demonstrated their maturity and good cricket brains. All three look set to develop into excellent players for the club.

There were 25 players who turned out this season and all should be thanked for their support and contribution to both the team and the club's success over a long season. Several players, particularly Paul Isaachsen, Adam Bolton and Joel McShane, were unlucky not to have played during the finals campaign after some good performances. Special mention must go to brilliant wicket-keeper/batsman Vinnie Sandhu for his enthusiasm and courage in playing through the finals while sick and Mags who was always there to support the team despite missing out on a finals game. A strong mix of personalities who were all determined to win for the team made it an enjoyable and successful season. Hopefully most players will return next season with the desire to improve and a taste for more success.

Thanks must go to club coach Noel Knight and Cass who captained the team to five wins at the start of the season before winning promotion to the seconds. Cass returned to play an inspirational role in the finals and his leadership assistance was much appreciated. Also thanks to John Worland and the committee for their part in another successful season for the Lions.

DAVID DARRAGH
3rd Grade Captain

SUBIACO - FLOREAT CRICKET CLUB (Inc)

4th GRADE CAPTAIN'S REPORT

Looking back at this season, it proved to be far less fruitful than last year. We started the season as reigning premiers, and after the first seven rounds we were playing as though we would be again, with five wins, a loss, and tie. Christmas proved to be the let down for our side as we failed to produce a victory in the remaining six rounds. Despite this, we still managed to play some exciting cricket, many games of which we can look back on and learn a great deal. The side this year was a much younger side, with the core of players aged less than 20. It was no secret that when the right mix of players was found we played our best cricket.

The side this year uncovered some potential that surprised a lot of people. Many of the under 17 players played 4th grade cricket and coped with it extremely well. Lenny Pervan was a stand-out this year, not only as a player but also a personality as well. His 28 wickets at 23 won him the Junior Cricketer of the Year, Lenny also had the ability to finish opposition innings regularly, whether it be by taking wickets or getting hit into the river. Ben Hansberry wicket kept all year and did so outstandingly - he made 326 runs this year at 26 and took 32 dismissals for the year. Dale Rutherford also showed a great all-round ability, opening the innings on occasions as well as taking a hat-trick against Uni, his second for the year. Shane Townsend and John Stoykovski also managed to make the transition into senior cricket with ease, as did Dave Collin-Thome and Chris Hansberry.

Damian Hughes had another outstanding year in the 4's, scoring 126 against Claremont-Nedlands, as well as taking 20 wickets (including 3 five-wicket hauls). Hughesy also featured in a 210 run opening stand with Adam Bolton against Claremont-Nedlands. Mickey Winter led the bowling attack this year, and did so fantastically. Mike took a wicket of the first ball of the season, took 7/39 against Mt Lawley, and finished the year with 29 wickets at 18. Joel McShane played a lot of 3rd grade cricket this year, but when he played for us he stabilized the top order and showed talent that far exceeds that required for 4th grade. He ended with 290 runs at 29, including an 88 against Scarborough. Ross McQueen dominated with the bat this year, scoring 240 runs at 40. Ross's ability to take apart the better attacks proved more than handy, as most of his major contributions with the bat came against the better sides.

To Bernie Le Tessier, congratulations on becoming a father - captaining this side proved to a lot harder than you made it look last year. Bernie managed to keep his record intact this year by captaining one game against Gosnells, and winning. Robbie Parr, Brad Barnes, Justin Stafford, Jon Symington and Steve Traynor also made appearances for the team, and provided a very unique team atmosphere to the games.

Although the team didn't manage to achieve the success that we had hoped for, being a part of such a successful and dominant club is a great privilege for all our players. Congratulations to the A-grade and 3rd grade for their success, and to a club as a whole for winning the club championship for the second year running. Thanks goes to Hammer and Kerry Darragh for the help you guys gave me this year, and also to Ross and Bernie for captaining when I couldn't. It was an honour to captain the side this year, I have learned a lot, as has the team, and we all hope to be back next year to continue the success of this club.

ADAM BOLTON
4th Grade Captain

SUBIACO - FLOREAT CRICKET CLUB (Inc)

COLTS XI

The colts enjoyed less success this season than we have been accustomed to, as we failed to make the quarter-finals of the competition. Perhaps the most disappointing aspect of the year was that we only got to play two games, meaning the boys had less time than usual to acclimatise as a team.

We took to the field against Perth in the first match and proceeded to take part in quite a spectacular batting collapse. Through all the carnage debutant Adam Bolton batted with great application to score sixty and together with Vin Sandhu give us a total of 160 to bowl at. Although we bowled and fielded well we did not have enough runs on the board and were forced to listen to the Perth boys' childish antics at the conclusion of the game.

Our next fixture was about three months later against Bayswater-Morley. We had to win and win big if we were to make it to the next round. Despite another negative result the boys played with great spirit and did themselves and their club proud. Once again the newcomers were the stars with Lenin Pervan bowling brilliantly in his first game. Although the results were not as planned the emergence of the new crop of youngsters is very exciting for the club and should hold us in good stead for the colts' competition next year and beyond.

Finally I would like to thank Alan Bolton and Daniel Barnes for their support in organising the guys on match days. Congratulations to the club for another stellar year and let's hope we can do it all again with another colts premiership setting the trend.

DAVID BOLTON
Captain/Coach

MASTERS REPORT

Another enjoyable season for the Subi-Floreat Masters, although it must be said not our most successful. The season started poorly with a washout and then a spectacular batting collapse cost us dearly in the second game against Claremont-Nedlands. Chasing 211 we collapsed from 1 for 42 to 9 for 59 before Wayne Davies (29 not out) and Frank Collins (38) gave our score some respectability, 127.

The highlight of the game was the return to the field of John Hurst who had not played for 15 years. Unfortunately he did a hamstring while batting, being run out in the process.

Our next outing was against Perth and we made 180 with Hayden Chrystal (56) Bruce (Arnie) Palmer (26) and Chris Smailes (15) leading contributors. Unfortunately it took Perth only 32 overs to reach 6 for 181. A couple of 3rd Grade players certainly helped their cause. Joe Santos hit us all over the ground but he was coming off a run of 3rd Grade scores including 180, 120, and 70. On the bright side our fielding was terrific with some great catches. Angelo Porcaro frustrated three batsmen out by bowling slower than ever and ending up with 3 for 16.

Our game against Mt Lawley was a close fought encounter but we ended up on the wrong side of the final result. John Hurst returned to the side and scored 57, and Greg Catlin opened and scored 28. A score of 171 was not enough to beat Mt Lawley despite Wayne Davies taking 3 for 35 in a terrific opening spell of nine overs. The Milentis twins proved difficult to dismiss and they saw the visitors home.

SUBIACO - FLOREAT CRICKET CLUB (Inc)

Master's Report, continued

Scarborough was always going to be a difficult game - 8 of our players were in Margaret River for the Leeuwin Concert. I contemplated a change of venue for the game. We put together a makeshift team and made a very credible 5 for 176. Graham Stafford (52 not out), John Hurst (34) and one of our new players Antony Thornton (44 not out) were the main scorers.

Unfortunately Scarborough made the required runs from 36 overs. I have to confess that my three dropped catches did not aid our cause.

The final game of the season was at home against Rockingham/Mandurah. Again our afternoon tea was a huge highlight. We batted first and struggled to get on top. Greg Fitzgerald made 44 but not his fluent best. A run a ball 40 run partnership between the Captain (17) and Bruce Palmer (38 not out) saw us through to 8 for 157.

Wayne Davies bowled 9 overs 1 for 25 and Frank Collins 5 overs 2 for 16 got us off to a good start until Frank limped off. He joined Greg Fitzgerald with a pulled hamstring – Greg Catlin and I shared the wicket keeping. I can testify to the fact that 50 is not the right age to take up wicket-keeping – my first ever attempt at this art form.

Rockingham/Mandurah showed a great weakness for slow "off-spin" bowling. The three oldest members of the side bowled 11 overs between us (Paul Forrestal, Graham Stafford and yours truly) and took 6 for 9. They were all out for 109.

An important lesson from the game was that if Arnie Palmer could compete in a triathlon in the morning then bat (38 not out) and bowl (1 for 5 from four overs) the way he did triathlons, it will be the standard warm-up exercise for all future Masters matches.

It was an enjoyable season ending on a high. The contribution of the Masters to the club is important both financially and in terms of keeping past players connected. It has been a pleasure to be part of the team again this season.

LARRY DAVIES

Master of Masters

JUNIOR COUNCIL REPORT

After a disappointing last couple of seasons the 2001/02 season saw the Subiaco-Floreat Junior CC rightfully reclaim its position as a powerhouse in the WACA under-age competitions by winning two Premierships out of the three age divisions in which it competed.

The season again unearthed numerous young cricketers with the potential to progress through to senior ranks but special recognition should be made of the following boy's achievements:

- Chris Hansberry for his selection in the State Schoolboy's team that travelled to Bendigo following a season that included 2 centuries in under-age cricket and a 6-wicket haul playing for the Third's.
- Phillip Edwards for his selection as an opening batsman in the State U/17 team that participated in the National Championships.

SUBIACO - FLOREAT CRICKET CLUB (Inc)

Junior Council Report, continued

- Alex Malcolm for being chosen as the WACA U/17 Cricketer-of-the-Year in recognition of a fine season in under-age cricket. He was also in Hale School's Darlot winning team, a valuable contributor in the Third's when available, and scored 3 centuries to cap off a remarkable season.

The Inverarity Shield (U/13) has traditionally been a competition which Subiaco-Floreat has dominated and this year proved no different with our boys going through the season undefeated. Coached by Graeme Allen, ably assisted by Tony Murphy and well captained by Tim Monteleone, this young team of cricketers simply had too much depth in their batting, bowling and fielding for the rest of the competition. Although they were given a brief fright in the Grand Final by their opponents Claremont-Nedlands, following a top order batting collapse, it was again their batting depth that came to the fore and assured the boys that they finished the season as worthy winners of another Inverarity Shield. We will continue to watch with great interest the development of these young cricketers as they progress through the junior ranks.

The U/15's were the other victorious team to win a Premiership flag. Coached by David Hansberry, the majority of these boys were in the Inverarity Shield team that finished runners-up two years ago and were determined to go one better this time around - and did!

For most of the season they were sitting in the Top Four, but their form, and in particular their batting, had been a bit indifferent. However as the finals approached and needing to win all three of their last qualifying matches to ensure a finals berth the whole team lifted and they stormed home to easily qualify. During the finals they probably played their best cricket of the season, and had convincing wins in the semi-final by 5 wickets, and by over 100 runs in the Grand Final. Most of the boys from this team will be moving up to the U/17's next season and such is the talent in this squad we look forward to a number of them also pressing for selection at senior level.

The U/17 team had a year which started with much promise but never quite followed through, and, with a win/loss ratio of 5:5, finished the season mid-table. Inconsistency with the bat was the hallmark of the season, three times being dismissed for less than a hundred but subsequently twice successfully chasing totals over two hundred. Bowling was the team's strength throughout the season, with everyone contributing and highlighted by a Dale Rutherford hat-trick. In addition to their U/17 commitments, a number of this year's team were also selected at various times through the season to play senior cricket in either the thirds or fourths. When given the opportunity, it was encouraging to see that they could hold their own at this level, and they will no doubt be better players for the experience gained over the season.

In closing I would like to thank all those boys who played their final year of junior cricket with the club for their efforts over the years and wish them every success in their senior cricket careers.

I would also like to thank my Committee, and the various Coaches, Managers, Parents and Players who have all contributed to another very successful season - we look forward to your continued support and success next season.

DAVID JONES

Junior Cricket Council President

"When you win the toss - bat.

If you are in doubt, think about it - then bat.

If you have very big doubts, consult a colleague - then bat."

W G GRACE

The Devils challenged the Angels to a game of cricket. "But we've got all the cricketers," said the Angels.

The Devils said: "Yes. But we've got all the UMPIRES !"

The village club was burdened with a big-headed skipper. Although a below average player, he considered himself the best in the side. They were up against tough opposition and as they walked out he said, "Right. I'll open the bowling from the pavilion end."

"That's right, skipper," said the fast bowler. "You bowl 'em in - then I'll come on bowl 'em out."

A slip fieldsman had a particularly depressing day during which he dropped no less than ten catches all off the same bowler. After the game he was talking to the bowler when he broke off and looked at his watch. "I must go," he said, "I have a train to catch."

The bowler looked at him bitterly. "Let's hope you have better luck with that, then."

During the match, the fieldsman positioned just behind the umpire kept trying to distract the batsman as the ball was bowled to him. Several appeals for l.b.w were turned down, and finally the umpire turned to the fieldsman and said sternly: "I've been watching you for the last twenty minutes."

"I thought so," came the reply, "I could tell you weren't watching the game!"

*"One fascination of cricket is that it never ceases to fascinate.
To become a devotee in childhood means being hooked for life.
Happily it is an addiction for which there is no need of
legislation nor government health warnings."*

DAVID RAYVERN ALLEN from "Cricket: An Illustrated History"

"Then there is another thing I am afraid of. That is, that cricket will be made too much of a business, like football — with the consequence that none but professionals will be seen playing. That, I hope, will not come in our times; but there is that probability to be faced. Should such a condition of affairs occur— well, betting and all other kindred evils will follow in its wake, and instead of the game being followed up for love, it will simply be a matter of £ s. d" (OK – dollars) – W G Grace, Dec 1895

 Incident before the Aus-Rest of the World series in '71.

Ackerman: (To elderly gentleman receiving him at the airport to whom he had given his bag to carry): "Are you connected with the Australian board?"

Eld. gent: "Yes"

Ackerman: "Played any cricket?"

EG: "Yes"

Ackerman: "Test Cricket?"

EG: "Yes"

Ackerman: "Really? What's your name?"

EG: "Don Bradman"

 On Radio:

".. Marshall runs in to bowl, over the stumps. He has a forward-short leg, a backward short-leg, a square-leg and a deep fine leg".

Indian Housewife:

"Wow! The man must be a monster. No wonder all our boys are scared of him"

 To Douglas Jardine who was padded up and swatting flies in Aust, 1932:

"Dont drive them away, Jardine! They are the only friends you have in Australia"

 Conversation between the Indian openers after the "BLONDE STREAK" in '85.

Gavaskar: "Don't let it upset your concentration"

Srikkant: "Who am I?"

SUBIACO - FLOREAT CRICKET CLUB (Inc) GOAL SETTING PROGRAM

Step 1 Write down the specific goal

"An important goal which I want to achieve is."

Step 2 Give it a time frame

"The time frame for achieving this goal is."

Step 3 Explain why it is important

"This goal is important because."

Step 4 Note where you are now

"My current position in relation to this goal is."

Step 5 Identify the potential blocks

"The things which may block me in achieving this goal are."

Step 6 Identify the resources

"The resources needed to achieve my goal are."

Step 7 Construct your detailed plan

"My plan to achieve this goal is."
