27th ANNUAL REPORT

SEASON 2003/04

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial data. This includes not only sales and purchases but also expenses and income. The text suggests that a systematic approach to record-keeping is essential for identifying trends and making informed decisions.

In the second section, the author addresses the challenges of managing cash flow. It is noted that many businesses struggle with timing their payments and receipts. The text provides practical advice on how to forecast cash requirements and negotiate better terms with suppliers and customers. It also highlights the importance of maintaining a healthy working capital to avoid liquidity issues.

The third part of the document focuses on the role of technology in modern accounting. It discusses how software solutions can streamline the recording and reporting process, reducing the risk of human error and saving time. The text mentions various types of accounting software and provides tips on how to choose the right one for a specific business. It also touches upon the importance of data security and backup procedures.

Finally, the document concludes with a section on the importance of regular financial reviews. It suggests that business owners should set aside time each month to analyze their financial statements and compare them against their budget. This practice helps in identifying areas where costs can be reduced or revenues can be increased. The text also encourages seeking professional advice from accountants or financial advisors when needed.

4th GRADE BATTING AWARD <i>donated by Brian Kinsella</i>	Dale Rutherford
4th GRADE BOWLING AWARD <i>donated by Horwath Partners, Chartered Accountants</i>	Lenin Pervan

President's Report

Another season completed. Whilst not as successful as in the past few years, the club's overall performance was a solid one.

At last work has commenced on the practice wickets and plans are well advanced for alterations to the clubhouse. It is now obvious the practice wickets will not be ready for use at the beginning of the season, and with the relocation of the croquet club being sooner than we anticipated, the club will be required to find a practice venue for a period of 3/4 months.

It is unfortunate that the 1st grade premiership reign came to an end. The side finished 3rd at the end of the regular season and 5th after the elimination final. This is the 6th consecutive season that the SFCC 1st grade team has been in the finals, with three premierships – a success rate that would leave most clubs envious.

The club's bowling strength was tested with the loss overseas of Gavin Swan and Robbie Campbell together with injuries suffered by our senior bowlers. However, the younger bowlers stepped up and performed above expectations. The side's cavalier batting at times did not get sufficient runs on the board for the bowlers to protect, as was the case in the elimination final.

The seconds had a good season in making the semi-finals. It was great to see the improvement from the previous season. The semi-final was a close game and could have gone either way.

The thirds also had a rewarding season but were eliminated in the semi final in a very close match that was in the balance for most of the game.

The fourths struggled for most of the season due to factors beyond their control. Numbers were always a problem with reliance on the under 15's and 17's to make up the places. Well done. We will address the position before next season.

The colts had a successful year and were runners up in the WACA Mid Colts competition.

The junior grades also performed well. There are a number of good players in the junior grades.

After some sound performances, the Club's final appearance in the one-day Don't Drink and Drive shield ended, as in previous years, with another poor performance.

The club finished 3rd in the club championship which made the season a rewarding one.

The committee wishes to congratulate Sam Howman for attaining the WACA best bowling aggregate of 55 wickets @ 17.38 runs.

Other notable performances were captain Steve Glew's 5000 career runs, 100 career catches and Club's highest 1st grade score; 223 runs against Perth. Wally Driver has held this record since the 1942/43 season. Chris Cann 2000 career runs, Sam Howman 200 career wickets and Murray Goodwin 100 1st grade matches for the Club.

On behalf of the committee we would like to thank Jane and her assistants for the lunches and the ladies /gents involved with preparing the afternoon teas, especially Sue Malcolm for her efforts and Nell Glew for her input and assistance. Afternoon teas are very much a part of cricket.

The committee would like to thank the captains for their contribution to the club, Steve Glew, Danny O'Regan, David Darragh, Brad Barnes, Steve Petsos and Wes Lind as well as Don Weir as coach. Don has been reappointed for a further term.

SUBIACO - FLOREAT CRICKET CLUB (Inc)

To the committee thank you, for your support. I would like to keep the team together for a further term due to the knowledge they have on the redevelopment and to assist renegotiations of the club's contract with the Town of Cambridge, which is due for review in 2005.

The Club's financial position is sound though we will record a small loss this year, however we must bear in mind the club has to negotiate with the Town of Cambridge in regards to the ongoing use and maintenance of the wickets.

The sponsors are a major part of the club's fund raising and we thank them for their continued support. We also thank the Town of Cambridge for their assistance over the year and look forward to improvements we will enjoy from the re-development of Floreat Oval.

To assist with the club funds a number of profitable functions were held during the season including the annual Presidents Dinner, which saw a number of members from the 1983/84 Colts Premiership team attend.

Thanks to Michael Simpson for hosting the club's presentation night and the trophy donors who donated awards to our best-performed players.

John Worland - President

"The very word 'cricket' has become a synonym for all that is true and honest. To say 'that is not cricket' implies something underhand, something not in keeping with the best ideals."
Sir Pelham Warner

"Cricket? It civilises people and creates good gentlemen. I want everyone to play cricket in Zimbabwe. I want ours to a nation of gentlemen."
Robert Mugabe - Prime Minister of Zimbabwe

"When 'it isn't cricket' has become an anachronism and a smear, cricket will be close to its deathbed."
J. M. Kilburn

"A game is exactly what is made of by the character of the men playing it. New laws, new ways of preparing wickets, new schemes of reckoning championships – these external do not matter."
Sir Neville Cardus

Coach's Report

The past season was one of mixed emotions and varied results with three grades making the finals, a colts grand final appearance and a one-day semi-final for the 1st grade. The Club did have a successful year, arguably more successful than the previous season.

The problem however is that emotions are often not logical. We did not add any silverware to the trophy cabinet and this leaves a hollow feeling with regard to the past season. Perhaps in previous seasons the Club may not have been hit by such significant player losses. These losses particularly with regard to our bowling stocks were further highlighted by long term injuries to personnel recruited to cover our player losses. As a consequence our bowling depth was severely tested with some individuals having to carry an inequitable load. To their credit our bowlers were always competitive and the reality of the season, in all grades, was that we did not make enough runs, on enough occasions to give our bowlers a fair competitive opportunity.

Multiple wicket collapses were prevalent throughout the Club and whilst some notable middle-order and late-order rescue jobs were accomplished, too often the net result was not large enough to realistically give the bowlers a fair chance.

I look forward to all batsmen adhering to what may say are boring or trite principles of batting, but which time has proven to be so true:- Occupy, build an innings, be positive by knowing the correct ball to attack and the correct ball to leave or defend, endure, the longer you occupy the crease the greater you expose the lack of depth of opposition attacks of the duration of a days play.

We've heard it all before but by continually failing to the above principles we continue to do ourselves a major injustice with regard to batting performance.

I wish to acknowledge the significant achievement of the grade and colts captains, their manipulation of bowling attacks to achieve a result as well as astute field placements certainly contributed greatly to our success.

Practice attendance and application were areas of concern this season, but one person who is above reproach is our net captain Chris Beattie. His punctuality, efficiency and enthusiasm should act as a fine example to the players of this club. My thanks and admiration goes to Kerry Darragh for once again handling the unenviable job of Chairman of Selectors with quiet efficiency.

Phil Thomson as scorer and statistician is an institution at this Club and his efforts this year were again beyond reproach. We are extremely fortunate to have Phil within our Club.

Whether it be attending the scoreboard, rolling pitches or putting out covers, Alan Bolton displays a passion for the Club which one would hope might rub off on the playing personnel. Thank you Alan for always being there.

My sincere thanks to John Worland and his committee, for their support and assistance. Their efforts enable the players to take the field week in and week out. I hope the players appreciate this fact. My thanks also go to David Hansberry for his assistance with the colts campaign.

I would also like to congratulate Steven Glew, Sam Howman, Michael Clark and Chris Hansberry on their State representation along with Western Warrior Murray Goodwin.

I look forward to a successful 2004-2005 with a Club Championship being our major goal and several more premierships to join our impressive collection.

Don Weir - Club Coach

1st Grade Report

Following three premierships in the last three seasons, the first grade side was looking forward to another successful season. We lost Gavin Swan and Robert Campbell at the end of last season, both venturing overseas, and also lost Michael Clark to injury before the season started. These circumstances reduced our bowling stocks substantially. This would require some of the younger guys to step up if we were to continue to be successful.

The season started off slowly seeing us with three wins and three losses after the first six rounds leaving us sitting a little lower on the ladder than which we had been used to over the past few seasons. The team rallied to win six of the final seven games (with the other being a close draw against Mt Lawley). The spirit, passion and desire shown when we had our backs to the wall, is a true credit to all everyone involved to finish the second half of the season so well. This enabled us to finish third on the ladder, ready to start another finals onslaught.

Unfortunately we got bombed out in the quarterfinals to Bayswater Morley, where we fell short by just two wickets in another close encounter. Again the lads fought the game out until the very last ball and can hold their heads high.

Individually Sam Howman carried the bowling for the season, bowling in excess of 400 overs for the season. He again took 56 wickets at 18.20, to win the side's bowling award. Kim Wulff stepped up with 21 wickets at an average 18.48, with the rest of the bowlers all chipping in at various times throughout the season.

On the batting side Murray Goodwin again showed his class when he was available to win the batting award scoring 388 run at an average of 48.50. The overall batting as a team was solid with the lower order regularly scoring vital runs to set a competitive total. The top order under performed as a unit and individuals should look to step up a notch for next season, even though the standard the Floreat wicket was at times below standard and difficult to bat on.

There were a number of debutants this season including Adam Bolton, Andy Malajcuk, the Hansberry brothers, Ben and Chris, and Paul Glew, all of whom showed potential to succeed at 'A' grade level in the future. Congratulations to you all and I look forward to playing along side of you in the seasons to come. This new generation along with the current 'A' grade players should ensure SCFC to be successful for many seasons to come.

I would like to thank Sam Howman (vice captain) and Michael Simpson for their support throughout the season and would like to congratulate them and all my teammates on a successful season.

Finally I would like to thank, on behalf of the 'A' grade side, Don Weir, John Worland and his committee, our tireless scorer Phil Thomson, and all our supporters for all their efforts through out the season to make it yet another enjoyable season for us all.

Steven Glew -1st Grade Captain.

"It is a cussed game. It can show you glimpses of beauty in a stroke perfectly played, perhaps, and then it throws you back into the trough of mediocrity. Only the most phlegmatic or those who don't give damn or those with unshakeable belief survive these upheavals easily."

Peter Roebuck

2nd Grade Report

The 2003/2004 2nd grade season was an enjoyable and successful year. At the end of the home and away rounds we were placed fourth on the premiership table and reasonably placed for the finals. Statistically we had nine wins and four losses from thirteen games. Perhaps for those involved, it will be remembered as a quality group of people, playing for enjoyment and each other which in turn produced reasonable success.

Like most years, the 2nd's performance was impacted by the loss of several players and the "player drain" that filters through the club when the representative players are called upon for higher duties or are injured. To ensure the best for our club and its future, at times the team selected seemed unbalanced. For example, it was not uncommon for our attack to include two pace and three spin bowlers. What must be commended is the ability for the players to recognise this and "stand up" for the occasion.

Our batsman led from the front for most of the year. Scores in excess of 250 were common. In particular, Vince Rule's year was outstanding. Vince was second in the most runs scored for the 2nd grade competition. Batting at number five, he scored 680 runs at an average of 48.57 with a highest score of 115 not out. Most of these runs were made under pressure from the loss of early wickets and his ability to build an innings and develop partnerships was an invaluable learning opportunity for a lot of the younger players. Well done "claw" on an awesome year.

Other notable batting performances for the year included Adam Bolton, Dave Kinsella, Andrew Malajczuk who all scored excellent centuries and each finished the year with a healthy average. Congratulations to them on being selected to play "A" grade with Adam and Andy, making their debut. With a good pre-season we look forward to another solid year from them. In addition, my congratulations to Ben Hansberry, Paul Glew and Andrew Kerr who also made their "A" grade debuts following solid performances in the 2's.

Like all other grades, this year our bowling was depleted. Our bowlers are all to be commended on an excellent year given this circumstance. Ian Hyland, Wes Lind, Andre Casson and Chris Hansberry carried the bulk of our bowling and all performed well. Special mention of the individual performances of Wes Lind 6/72, all six wickets in the final session and Tim Slinger who took a bag of five wickets twice. I am extremely proud of the effort of our bowlers and their ability to bowl at the team plan. It was a pleasure to lead all our players but in particular a pleasure to "back" our bowlers and enjoy their response.

I would like to congratulate our 2nd grade debutants, Alex Malcolm, Chris Hansberry, Andrew Kerr, Tim Serjeant, Joel McShane and Ben Harding. For those here in Australia next year, we are looking forward to you building on your experience and in turn your performances next year. I would also like to congratulate Chris Hansberry on his performances in the Western Australian representative side. Well Done Junior!

At the end of last year I requested the team to have a more positive outlook and to stand up and improve their individual performances. This improvement has resulted in this team moving from finishing 9th last year to 4th this year and two final wins away from a premiership medallion. With the continued development of the younger players, the on-going guidance of the more mature aged cricketers and some additional hard work, a flag is not far way.

Thank you to all nineteen players that represented 2nd grade this year for your support. It was one of the most enjoyable and rewarding seasons I have had. I would like to thank Don Weir, Kerry Darragh and the other grade captains on their support and guidance. I would like to thank the John Worland and the committee for the opportunity to lead the Subiaco-Floreat 2nd XI and their support throughout the year.

Finally, I would like to make a special acknowledgement of our support group. On behalf of the lads and not in any order, Chris Beattie, Mrs Isacchsen, Brian Kinsella, Paul Malcolm and the Hansberry family including Harvey a very big thank you. Your consistent support and dedication to the team did not go un-noticed and was a secret to our success.

I look forward to the continued improvement of our player group and the success this will bring in the near future.

Dan O'Regan - 2nd Grade Captain

"The hallmark of a great captain is the ability to win the toss at the right time."

Richie Benaud

3rd Grade Report

The 2003-4 season saw Subiaco-Floreat's third grade team perform above expectations to finish in sixth place at the end of the home-and-away rounds.

Some dominant batting performances early in the season by top order stroke-makers Andy Malajczuk, Tim Serjeant, Andy Kerr and Steve George were crucial to winning several games chasing targets in the vicinity of 300 runs.

A struggle to make runs on the newly-implanted wickets at the Alderbury Cricket Ground contributed to a relatively poor record at home. But this was remedied later in the season through a combination of improved decks and more patient batting.

The team fought hard to overcome inconsistency and win the majority of games in a tight competition.

The loss of several pace bowlers to the higher grades gave opportunities to up-and-coming bowlers such as under-17 quick Tom Moscarda, Simon Heyting and Dave Colin-Thome. They formed a successful combination with wily seamers Chris Payne and Steve George and the wicket-grabbing offspin of Sarj. To the astonishment of some, we regularly bowled out the opposition, giving ourselves a chance at winning.

Against Claremont-Nedlands, we were able to dismiss the opposition twice to claim an invaluable outright win on the best third grade pitch possible.

Payne and Sarj performed excellently with bat and ball throughout the season and made several second grade appearances. Payne's combative style and experience was invaluable and, together with Georgie, gave me great support on match days.

Sarj was a regular match-winner; taking over 20 wickets and scoring well over 400 runs, including a chanceless 138 not out against Claremont-Nedlands.

Our English import, Kerr-dog, was another fine performer with the bat. He showed his class by often making his runs when conditions were tough or when promoted to the seconds.

SUBIACO - FLOREAT CRICKET CLUB (Inc)

Tom Moscarda was plucked from the fourths reserve list to make his debut and never looked back. He led the attack courageously and proved our main strike weapon despite having played for several hours of under-17's in the morning before each grade game.

Tom took over 20 wickets and won the team's bowling award. More importantly, he improved with every game and lifted his level even further with a superb four-wicket haul in the elimination final against Joondalup.

Another under-17, Preston O'Keefe also performed impressively with bat and ball in two games he played between PSA school commitments.

The club can hopefully look forward to better cricket from these guys next season.

Despite a lack of training due to work commitments, excitable wicket-keeper and team lucky charm Vinnie Sandhu again gave excellent support to our bowlers with many fine catches and stumpings. Such is Vinnie's skill with the gloves that he creates wickets from nowhere.

The enthusiasm and execution of Vinnie and Shane Townsend in the field set the standard all season and was important in getting the team into the finals.

After ending up in sixth we had a dramatic last wicket victory against Joondalup with Simon smashing the last 21 off his own bat while the redoubtable Tom compiled an invaluable 0 not out. Our finals campaign ended near stumps on the last day of a cliffhanger semi-final against an experienced Mount Lawley team. After a brave fight during which much of the luck went against us we fell 25 runs short of the Hawks 250 run target.

It was a disappointing result after much hard work. But everyone could be proud of their contributions over the season.

The two finals games gave some young players invaluable experience and it was pleasing to see that several guys lifted their performance level on the big occasions.

Hopefully that experience and the disappointment of getting knocked out on the verge of a grand final will drive the players to go even further next season.

Thanks to all the players who played thirds this season and made it an enjoyable, and often amusing, time.

Also, thanks to club coach Don Weir for the numerous hours he put in at training and selection meetings and John Worland and his committee for again getting the job done for another season.

David Darragh – 3rd Grade Captain

"The replay, which the umpire doesn't have the benefit of, shows that he was either an inch in or an inch out."

Richie Benaud

"He's a very dangerous bowler - innocuous, if you like."

David Lloyd

4th Grade Report

The 4th grade had a very up and down season where we could never really put it all together as a team in one game. That was always going to be a tough task with approximately 42 different players in 4th Grade this season.

The batting wasn't at its best this season but we always had a great bowling attack. Benny Harding, Lenny Pervan and Paul Anderson bowled extremely well for us all season. Often the guys were bowling too well and beat the bat often but with no luck.

But there is light at the end of the tunnel. Over the course of the season we saw some of the younger players in the team mature greatly showing some of their potential. Lenny Pervan bowled like a demon taking bags of 3+ wickets in most games. Paul Anderson was an absolute workhorse as was Benny Harding. They were always on the spot, always bowled with enthusiasm and the team in mind.

Dale Rutherford, once given the chance to bat down the order, showed that he can make runs and hold an innings together. Sam Hunt learned to build an innings and showed that he is a classy bat with great timing and placement. Joel Hubble was the corner stone of many a good innings when Barnsey didn't run him out. Jamie Anderson made some good contributions as an opener in the later part of the season. We also had some young bloke Gonnella rock up for a game and make a majestic 60 not out. As good as it was, I can't believe they let him play 3rd grade the next week (just joking!)

We uncovered some great young guns in the form of Tom Moscarda, Daniel Bobridge, Tim Monteleone, Nick Harmer, Joel Heyting, Ian Richardson & A J Murphy. These young players are a very talented group of players who performed extremely well for us this year. Not only are they a talented group of players, but they play with a lot of heart, they are always playing for the team and are a very coachable group of athletes. I have no doubt that these young men will be the future 1st grade players of the club, especially if they can keep improving and maturing as they have this season.

This year has been a great learning experience for all including myself, as I took over the captaincy during the season. Although we didn't have a great season, the potential we showed this season is reason enough to be excited and eagerly awaiting season 2004/2005.

Steve Petsos – 4th Grade Captain

"What is this lure ... that cricket exercises ... the passion for it is in our blood. Small boys have it, youths have it, grown men have it, old men have it; and no amount of disappointment, no ducks, can change it."

E. V. Lucas

"I tend to believe that cricket is the greatest thing that God ever created on Earth ... certainly greater than sex although sex isn't too bad either. But everyone knows which comes first when it is a question of cricket or sex."

Harold Pinter

Colts Report

After falling out of the Colts competition in the semi-finals last season, it was no surprise that the Subiaco-Floreat Lion Cubs eagerly anticipated the first match of the new season and for most, the first look at a brand-new Alderbury deck. Country XI won the toss and sent Subi in, a mistake despite the state of the wicket. Subi amassed a solid total of 160 from 50 overs. Andy Kerr on debut was the rock with a well-compiled 70, while Chad Jones in his first hit in 6 months made a run a ball 31 to set a very difficult target. Jonesy bowled admirably to pick up an early pole, while his partner in crime, Paul "Harry" Hyland, toiled away without luck. Simon "Simba" Heyting was the destroyer with four poles, while newly named skipper Wes Lind, and his left arm counterpart, Chris "Junior" Hansberry, cleaned up the tail. The Country XI was all out for a paltry 90, which was a comfortable first up win for the Cubs.

Game 2, saw us make the mammoth journey to Sutherlands Park. Bowling first the Cubs gathered a steady flow of wickets while keeping the runs to a minimum. A poor effort saw Gosnells finish with 9 for 114 from its 50 overs. Openers Ben Hansberry (31) and Andy Kerr (33) put on 62 for the opening wicket to set up a comfortable 8 wicket win.

Next came the showdown against the reigning premiers Fremantle, Simba was once again the destroyer with 3 for 10 from 10. Junior grabbed 3, as well as a direct hit run out, while Andrew Malajczuk bowled a fiery spell and was stiff not to get a couple of LBW's. Chasing 136 would be no easy task at Alderbury. The top four all got starts but none could capitalise. It was left to the Big Ship, Tim Serjeant, to come in at five and steer the side home. He played a Majestic innings of 55 not out, highlighted by a blistering cover drive to end the chase. The Lion Cubs were home by 3 wickets. A great finish to the qualifying rounds.

After completing the qualifying rounds undefeated, the Subi Colts were looking for a successful finals campaign after last year's heartbreaking loss in the semi.

The road to glory began with a quarterfinal clash against Mt Lawley at Alderbury St. The day began with stunned looks from our opponents as openers Mala and Kerr-dog strutted out in the 1st grade coloured shirts for the first time this year. The shirts didn't help much as we slumped to 5 for 40.

It took an 80 run stand between Joel McShane (64) and Junior (26) to get the Cubs back in the match. Joelly, the veteran, in perhaps his finest hour for the Lion Cubs made a brilliant half-century, which included a massive zack over deep midwicket. This was matched in size, but bettered in post zack strut terms by Simba's late over launch. The Cubs in the end posted a defendable total of 148.

It didn't seem enough as the Hawks openers saw off a blistering spell from Mala, and a miserly one from Harry. It was touch and go heading into the final overs but some crucial poles from Wes (3), Alex "Smalco" Malcolm (2) and Junior (2) saw the Cubs prove too good. We advanced to the Semis by meagre 7 runs.

The Semis saw the demise of the Cubs last year at Alderbury. Deja vu was the feeling as we lost the toss and fielded. But there was an aura about this day as everything went right for the Cubs. Don Weir described it as "clinical".

Smalco grabbed the first three poles and had a hand in the fourth as the Joondalup skipper was run out backing up too far. Two of the best run outs you will see soon followed. James Anderson produced a beauty. The pick up was one-handed and he hit the one stump he could see from cover to run out their number five.

Then Joondalup's big hitting number 6 committed suicide, when he hit it straight to Shane "The Jet" Townsend at mid off. The big fella was run out by half the pitch as the pocket dynamo pounced and

threw down the stumps. "The Jet" was at it again when he took a brilliant running catch back with the flight to give Tommy Moscarda his first wicket on debut. Captain Wes renewed his janitorial duties in snaring the last three, Joondalup were demolished for 127.

The clinic continued as openers Kerr-dog and Ben Hansberry put on 87 for the first wicket, which all but sealed the deal. Benny finished on a brilliant 56 no highlighted by some fabulous running between the wickets.

The Subi boys destroying the Northerner's by 9 wickets and claimed outright favouritism for the final at Fletcher Park, against Midland.

Perhaps we peaked too soon, perhaps we were too arrogant, or perhaps we were just inexperienced when it comes to playing on highways. Either way you look at it the colts produced more of a fizzle than a final. The less said about it the better.

In case you were on Mars and missed it here's what happened. **WE GOT PUMPED!** We lost the toss and fielded first on a belter of a deck. It was a good effort to bowl the Monkeytowners out for just 225. Junior was the star. He bowled a superb spell taking 2 for 26, including the prized scalp of their skipper for a golden duck. Harry was his miserly self, going at just 2.8 an over. Wes picked up four poles while his flat mate Kerr dog was the star in the field with two brilliant direct hit run outs.

The batting left little to be desired as the top order was skittled. At one stage we were 6 for 52. Junior was again the shining light and unlucky not to be man of the match, by backing up his brilliant bowling with an outstanding 56 out of 156. The disappointment of losing should spur the boys on to bigger and better things next year.

Special thanks goes to our scorer Trudy who did a fantastic job all year. Thanks to Don, Dan O'Regan and David Hansberry for they're input at various times throughout the year. Finally, well done to Wes on his first year as captain. He did a terrific job.

We went one better than last year, lets go one better next year.

Alex Malcolm – Colts Reporter

Masters Report

The season started with a bye. We performed well in this form of the game and were ready for the old enemy, Scarborough; in round 2. The game off obviously refreshed the team, as we never let the Scarborough boys, or "old boys", into the contest.

Our "pace" attack of Frank Collins, John Gillam, Wayne Davies and Bazza Wilson kept things very tight and they struggled to 6 for 107 before we let a novice Master in Richard Catlin have a bowl. He showed promise but has a bit to learn about being a true Master. He needs to do less with the ball and even Ross Bolton was trying to teach him how to catch in the outfield. Scarborough ended up making 9 for 188.

We paced the target with 3 wickets down. The Catlin Brothers (not to be confused with the Gatlin Boys by any of you Country and Western fans) opened the batting together for the first time since pre-primary in the backyard. They put on one of the rare century stands in Masters Cricket. They were separated on 100 with Greg making 44 and Richard 50. Staff (49) and John Hurst (30 n.o.) saw us home easily.

SUBIACO - FLOREAT CRICKET CLUB (Inc)

The less said about the next match against Claremont-Nedlands the better. One Bernie Le Tessier played his first game of Masters and made a fine 58 not out. We struggled to 164 all out. Our opponents needed only 34 overs to defeat us and of the 6 batsmen used only one was dismissed, Wayne Davies got a very early wicket and perhaps we became a little over confident—or something!

University were to be our next victims. They offered to bat second as their wives insisted they be available for baby sitting duties while the girls enjoyed a Chardonnay in the late afternoon. We opened with the Catlins again but Richard managed to snick a first ball wide to the keeper. The McGilvray track was unusually low and slow. A few players managed to adjust with Staff getting a well-made 52, Ross Bolton, 29 and Greg Catlin, 20.

9 for 157 was reasonably competitive given the conditions but we didn't use the conditions as well as Uni and they passed our total with 5 wickets down.

No summary of this game could be complete with out mention of John Hurst's heroic innings. I had purchased a new bat and let Hursty run it in for me. He found it very hard to adjust to the lack of bounce and pace but he gutsed it out for 10 overs before being bowled for a duck! He returned the bat without a mark on it.

Another slow and low track greeted us at Breckler Park along with a very strong Mt Lawley side which included 9 ex A-Grade players and an ex Test player. Solid efforts from all our top order was topped off by a very good 6th wicket partnership between Gary Godfrey and Paul Forrestal saw us reach 5 for 159. We were in with a chance but their batting looked good. They recovered from 4 for 8 to reach 6 for 24 and eventually all out for 105. Our opening attack of Frank Collins (4/18) and Wayne Davies (2/26) bowled superbly and Frank at times was sharp and moved the ball appreciably. They were backed up by Bazza Wilson who bowled a mixed bag but picked up 3 for 25.

We finally got to play at home against Rockingham-Mandurah and our batsmen relished the home track making 8 for 204. Richard Caldow and Gary Godfrey both made 40s and Ross Bolton, Peter Jones, and John Hurst all made 20s. The visitors struggled to score at the required run rate even though they kept wickets in tact. Bernie Le Tessier with 3 for 30 was our most successful bowler. Four run outs helped us dismiss R-M for 159. The down side was the injury toll with 4 strained leg muscles. Richard Caldow was responsible for 2. Not a bad record, 4 hamstrings in 3 matches for Richard.

The final game was against Wanneroo and we had possibly the only rain in the metropolitan area fall on Floreat Oval. This was critical as Wanneroo were batting when the rain came and in the 9 overs after the rain added 84 runs and finished with 197. Two new players Shaun Duffy and a bloke named Warne, smokes and carries a mobile at all times, put up a good fight in the middle order but 171 was all we could manage from our 37 overs.

Another great fun season, which saw some more ex-players, reacquainted with the club. Next season will be a big one, as the World Vintage Cricket Carnival will be held in Perth in March. 26 teams from outside the state have already registered including teams from Canada, USA, UK, Spain, France, South Africa and New Zealand. There are 4 ex test players in the NZ contingent that we know of, Subiaco-Floreat have nominated 2 teams. Anyone over 35 is most welcome to join in, just let me know.

Larry Davies - Master of Masters

Junior Council Report

The current demographics of the district are presenting a challenge, and will do so for the next few seasons. The two feeder clubs, West Coast and Marist have one team between them in certain age groups. This compares with up to three teams from each club five years ago. This factor was starkly illustrated in our Inverarity side where we had only 22 boys from which to choose a side.

15's

Coached by Graeme Allen, the team had a very successful season, and were most unlucky to lose to Midland-Guildford, the eventual premier's in the last three balls of the semi final. The captain, AJ Murphy had an outstanding season winning both the batting and bowling averages. His efforts along with those of Tim Monteleone were rewarded by their inclusion in the State team.

17's

David Bobridge deserves special thanks for his ability and effort in getting a competitive on the field each week. A total of twenty-eight boys represented the club during the season. The team narrowly missed the finals, and had a strong bowling attack led by Tom Moscarda and Daniel Bobridge. The team conceded the least amount of runs in the competition. Congratulations to Tom who won the WACA award for the bowling average and aggregate number of wickets. The team's captain Nick Harmer had an excellent season with the bat, with several scores in excess of 50.

At WACA Junior Council a move to change the age for the Inverarity Shield Competition from 13 years of age to 14 was defeated. However there is a possibility of a six team final next season in the 15's and 17's

Jim Ryan - Junior Cricket Council President

Inverarity Shield (13s) Report 2003/04

The Club's Inverarity team this season were a courageous and enthusiastic group of players but were not able to win a game – a disappointing outcome though their application was commendable.

Most of the team moved from Saturday morning community cricket to Club cricket for the first time and unfortunately, our skill levels were below par and not up to the standard of our opponents.

As a coach, I felt for the boys, particular when we lost by a solitary one run against Joondalup in our last game. In the ensuing years, the boys know they will have to fine tune their skills and learn how to play against quality opponents.

Congratulations to our two leaders, Liam Bailey (Captain) and Travis Colyer (Vice Captain for a fine job and they join, Andrew O'Brien, Ben Wade, Harry Donovan and Sam Ryall in the WACA's "Emerging Warriors" squad which starts off season practice in July. It's a wonderful opportunity and it is hoped that this core squad will become the platform for better performances and victories, in the very near future.

Terry O'Brien - Coach

Club History

The Subiaco Cricket Club was admitted to the Western Australian Cricket Association in 1907 and was formed from the remnants of a mercantile cricket club based at Whittaker's timber mill in Subiaco. The Club played originally at Subiaco Oval before re-locating to Rosalie Park in the 1960's. Some of the better-known Subiaco players were Johnny Rutherford, Jim Hubble, Des Hoare and a certain R. J. Hawke.

The Floreat Park Cricket Club was founded in 1956 and admitted to the Western Australian Cricket Association as a 2nd Grade Club. The most famous players to be produced by the Floreat Park Club were Australian Test players Kim Hughes and Terry Alderman who both went to the Subiaco Club to play 1st grade cricket before returning to Floreat Oval when the two clubs merged.

The Subiaco-Floreat Cricket Club was founded in 1977 as a result of the amalgamation between the Subiaco Cricket Club and the Floreat Park Cricket Club and commenced playing in the 1977/78 season. Ray Young was the inaugural President and Paul Nicholls the inaugural 1st Grade Captain.

Since the amalgamation the Club has produced from within its own ranks, many 1st class representatives including Glenn Hughes, Giles Bush, Todd Breman, Gavin Swan, Michael Clark, Steven Glew and Murray Goodwin.

In season 2000/01, the Club won the Club Championship by a margin of 300 points. Which was the largest winning margin on record. In 2001/02, the Club became the first club since 1982/83 to win successive 1st Grade Premierships, the first club since 1986/87 to win successive Club Championships and the only club in the history of the WACA competition to win successive 1st Grade Premierships and Club Championships and at the same time.

In season 2002/03 the Club won a third successive 1st Grade Premiership. This was only the third time in WACA history that a club has won three successive 1st Grade Premiership; the previous occurrence was back in 1924/25.
